## 2023 - 2024 Annual Cost of Attendance (full-time fall and spring semesters)

Below is cost of attendance information for undergraduate and graduate students. The information is based on full time enrollment in the fall and spring semesters. Please contact the Stars Connect Office at 708-524-6809 or [finaid@dom.edu](mailto:finaid@dom.edu) if you have questions about your cost of attendance or have extenuating circumstances and would like to submit an appeal for consideration of an increased cost of attendance. Examples of eligible expenses include but are not limited to, dependent care costs or expenses related to a student's disability.

Students who have costs associated with acquiring a first professional credential or license can have those fees included in the cost of attendance. The costs must be incurred during a period of enrollment, not after. As students will take these exams at different times within their program, they must contact us to inform us of when the cost is incurred. Examples include fees charged to take a licensing exam and the costs of applying for and obtaining the license or certification. If you would like these fees added to your cost of attendance, contact [finaid@dom.edu](mailto:finaid@dom.edu). Note that the increased cost of attendance does not result in additional grant or scholarship eligibility but does allow for the potential for greater loan borrowing on federal student loans, a parent PLUS, graduate PLUS or private student loan.

Please note that fees associated with specific degree programs or courses may vary. You may view tuition, fee, room and board information here:
