

## 2023-2024 Appeal for Review of Special Circumstances

Student Name:	Dominican ID Number:
Introductory Information:	

Based on the information you provided on your FAFSA, the federal government determines your financial need for college. Your financial aid offer reflects this information in the federal and state aid on your award. If you feel you/your family has experienced an unusual circumstance that is affecting your family financially, and your 2023-2024 FAFSA is no longer an accurate representation of your ability to pay, please complete and submit this form along with your required documentation. The financial aid office will review your documentation to determine if an adjustment to your FAFSA is appropriate.

Before submitting this form to the financial aid office, you must have received an official award offer from the financial aid office and be aware of the following information:

- In order to submit this form, you must have already completed the 2023-2024 FAFSA.
- The Department of Education requires schools to perform verification on selected applicants before considering professional judgement adjustments.
- Most appeals will require the submission of tax information.
- Appeals will not be considered for FAFSAs that have been completed using estimated tax information.
- Submission of this form does not guarantee that an adjustment will be made to your financial aid offer.
- Processing time can take up to two to three weeks before a determination is made.
- All appeal information is expected to be submitted with this form and clearly labeled with the student's name and Dominican ID number (if known).

**Please Note:** All documentation included with your appeal must be submitted in, or translated into, English. We cannot accept documentation written in another language without an accompanying English translation.

## Special Circumstances do <u>not</u> include the following:

- Student/parent does not wish to borrow to cover educational expenses.
- Parents' refusal to contribute to educational expenses
- Parents' payment of student loans for older siblings
- Expenses such as credit card debt, wedding expenses, sports, enrichment activities, etc.

Once you have read all of the above information, please see the reverse side of this form for instructions regarding how to submit your appeal. Students who already have a zero expected family contribution (EFC) on their FAFSA are not eligible to submit this form.
