

# TRANSFER OUT FORM

I wish to transfer from Dominican University to another SEVIS authorized school in the U.S. I have provided the DSO at Dominican University a copy of my acceptance letter at the new school.

I understand that:

- My OPT will be cancelled if I am transferring while on OPT
- My SEVIS record must be transferred within 60 days of the last date of study at Dominican University
- I must begin my studies at the next possible term at the new school; the break between studies may not be more than 5 months
- After my SEVIS record has been transferred, Dominican University does not have access and cannot change or cancel the transfer
