

eRezlife Usage

Summary

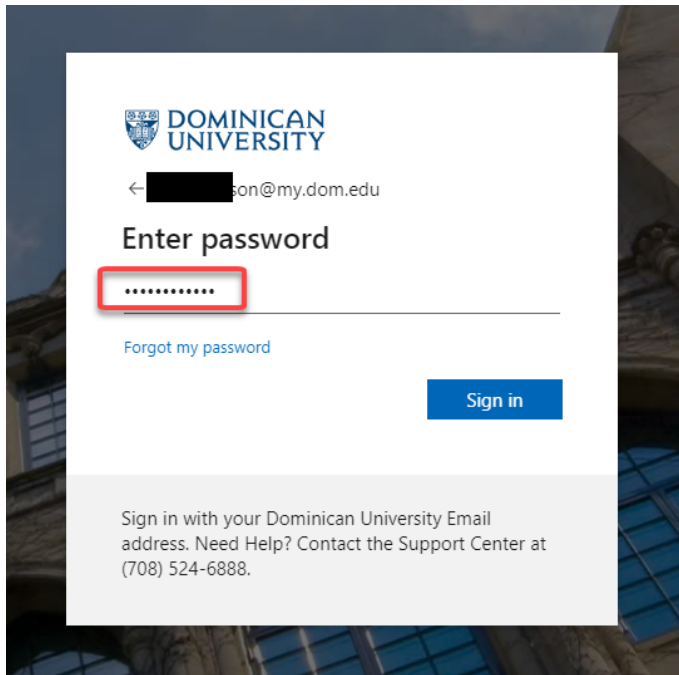

eRezlife is used by Students to create online applications for housing, and by the Resident Life staff for managing applications, student room assignments, etc.

How to access eRezlife

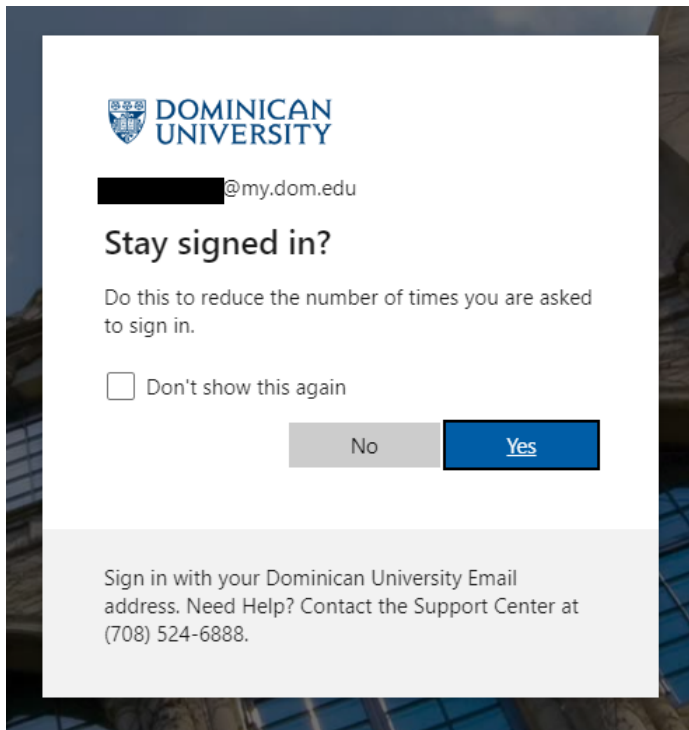

1. Open a web browser
2. Navigate to the following link: <https://dom.erezlife.com/>
3. One of two results will appear. If you are already signed in to a Dominican application (such as Canvas or myDU), you will enter into eRezlife with no further sign-in requirements. If you are not already signed in, you will be presented with the Dominican Single Sign-in form:

A screenshot of the Dominican University Single Sign-in form. The form is white with a blue header containing the Dominican University logo and the text "DOMINICAN UNIVERSITY". Below the header, the text "Sign in" is displayed. A text input field contains the email address "myemailaddress@my.dom.edu", which is highlighted with a red rectangular border. Below the input field, there is a link that says "Can't access your account?". At the bottom of the form, there are two buttons: "Back" (grey) and "Next" (blue). Below the buttons, there is a grey box containing the text: "Sign in with your Dominican University Email address. Need Help? Contact the Support Center at (708) 524-6888." At the very bottom of the form, there is a white box with a magnifying glass icon and the text "Sign-in options".

Enter your DOMINICAN email address and click 'Next'.

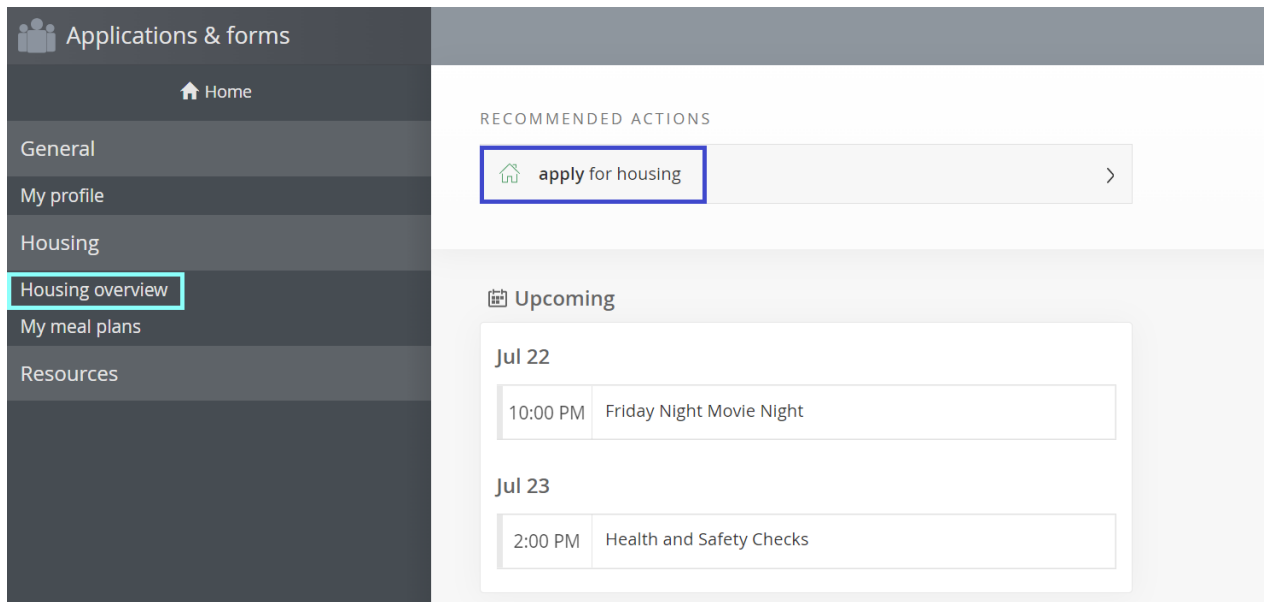

Enter your Dominican Password and click the 'Sign in' button.

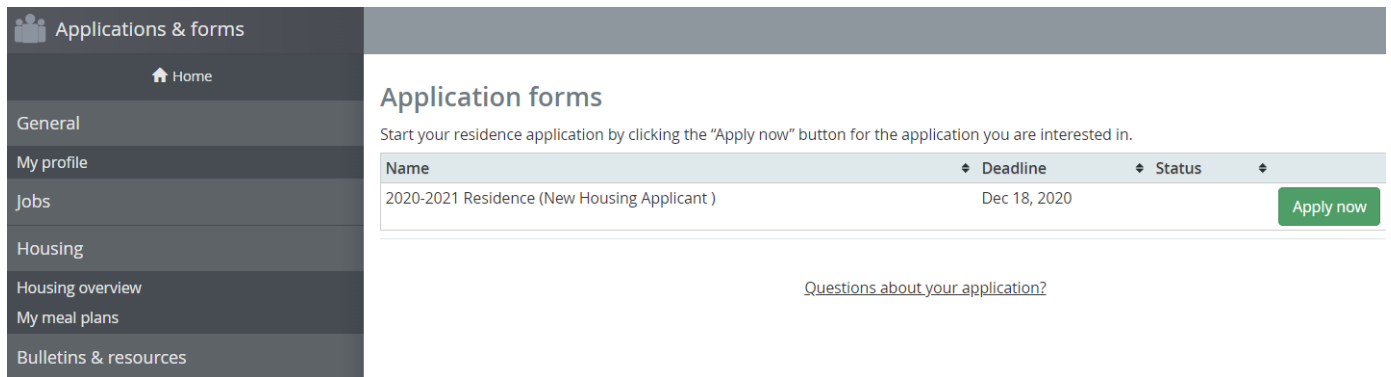

Make your selections here based on your comfort level of keeping the connections open.

4. You will then enter in to the eRezlife application. All housing application forms are available under the **Housing Overview** tab. You will also have a recommended action to '**Apply for housing**' that will take you to the housing overview.

5. Select the option to start your housing application. Click the "**Apply now**" button beside the housing you wish to apply (note that your selections may differ from the example photo).

6. If you haven't completed your *housing profile* and *profile questions*, you may be required to complete both the housing profile and housing profile questions before proceeding to the housing application form.
