Please provide any examples you may have that illustrate how Dominican University, with its mission to prepare students to pursue truth, to give compassionate service and to participate in the creation of a more just and humane world, has impacted your life:

During my time at Dominican, I learned how to engage and connect with a diverse population.

It prepared me so well because a lot of our writing integrated self reflection and that helps open up the mind to more opportunities.

Please provide any additional comments you have about your experience at Dominican:

All of my professors were really knowledgeable and most went the extra mile to support their students.

Great diversity of professors and staff who is committed to excellent higher education and lots of passion throughout!

It was troubling that teachers did not seem to be on the same page regarding how to handle COVID protocols and manage the changing environments for the students.
