INCOMING FIRST-YEAR STUDENTS

The CIRP Freshman Survey (TFS) collects important information on what your incoming students are like before they experience college. Key sections of the survey examine the following:

- College choice
- Financing college
- High school experiences
- College preparation
- Expectations for college: major and career
- Expectations for college life
- Recruitment and orientation
- COVID-19 pandemic

A Note about CIRP Constructs

We use the CIRP Constructs throughout this PowerPoint to help summarize important information about your students from the TFS.

Constructs statistically aggregate the results from CIRP questions that tap into key aspects of the college experience. Constructs focus on student traits and institutional practices contributing to students' academic and social development.

HERI

HERI

Demographics

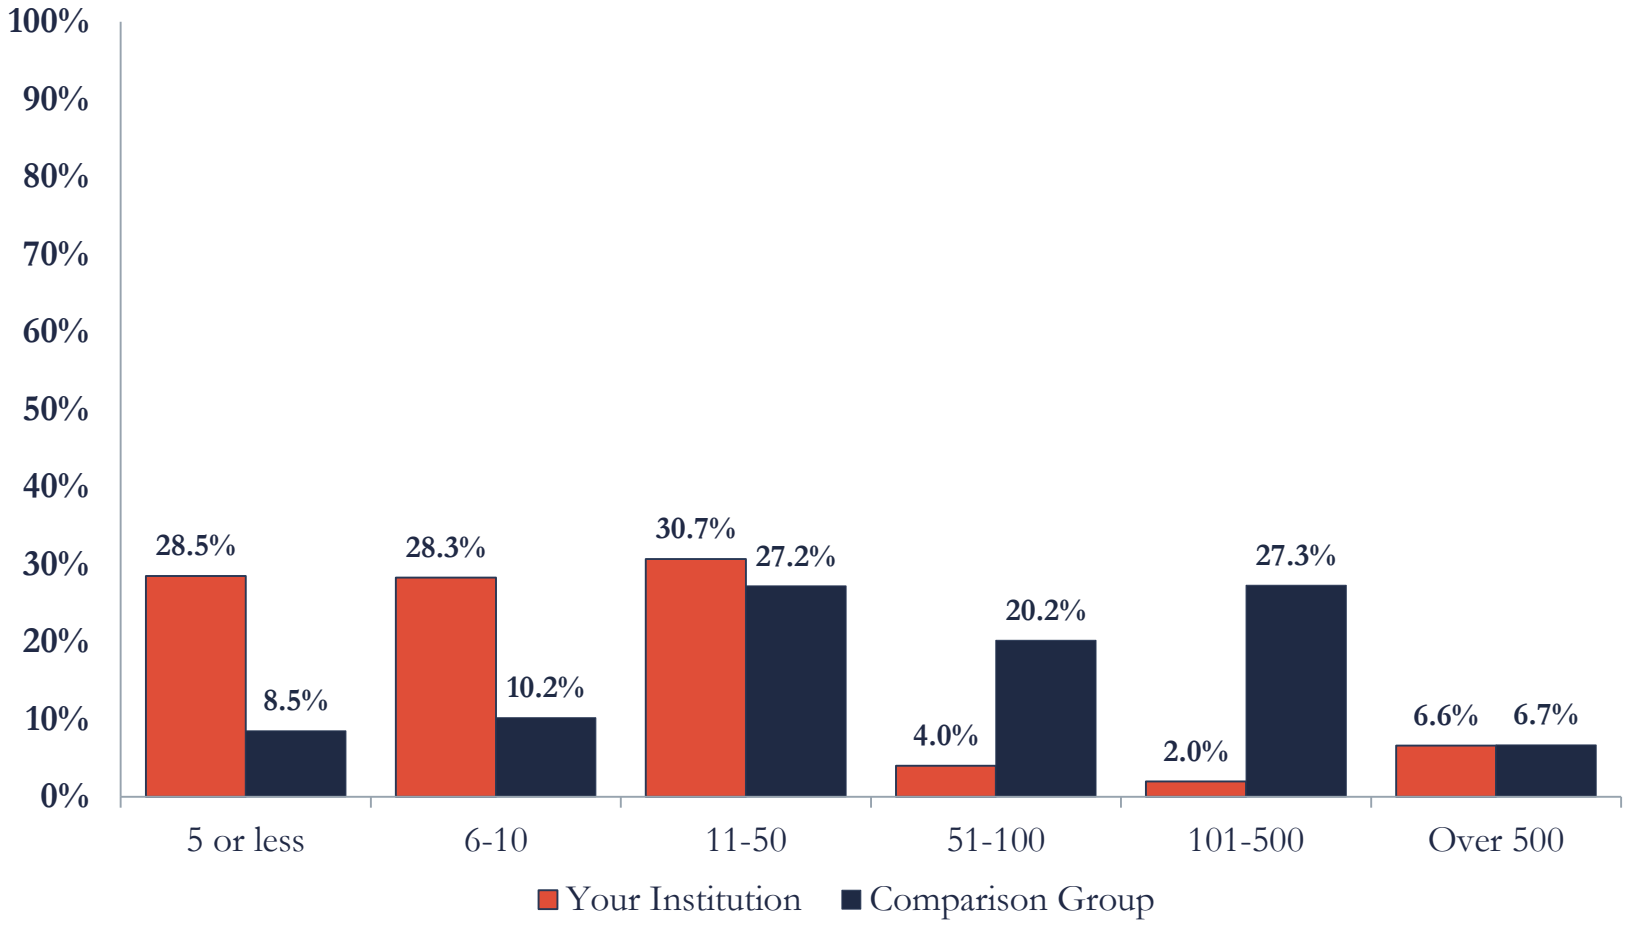
How many miles is this college from your permanent home?



HERI

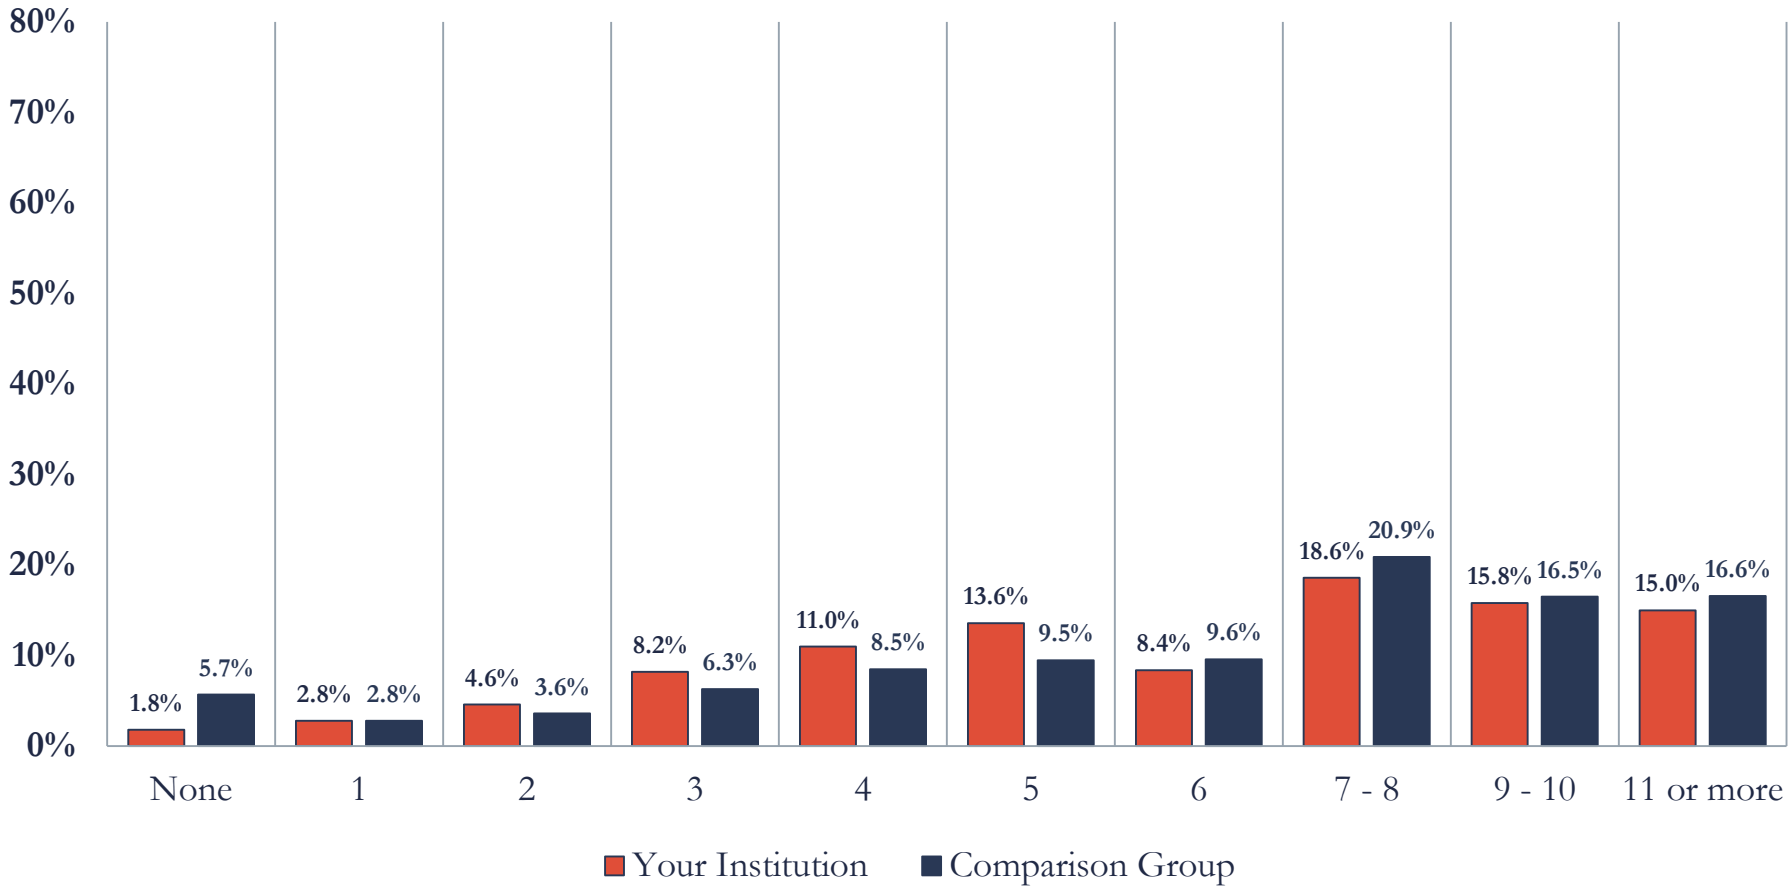
College Choice

Many factors impact incoming students' college choice, including the benefits they see in attending college and considerations about which particular college to attend.

HERI

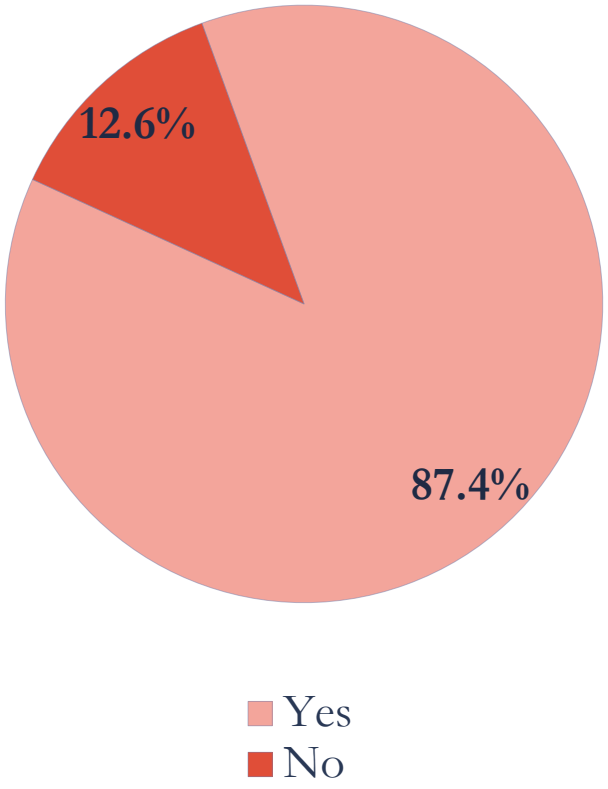
College Applications

To how many colleges *other than this one* did you apply for admission this year?

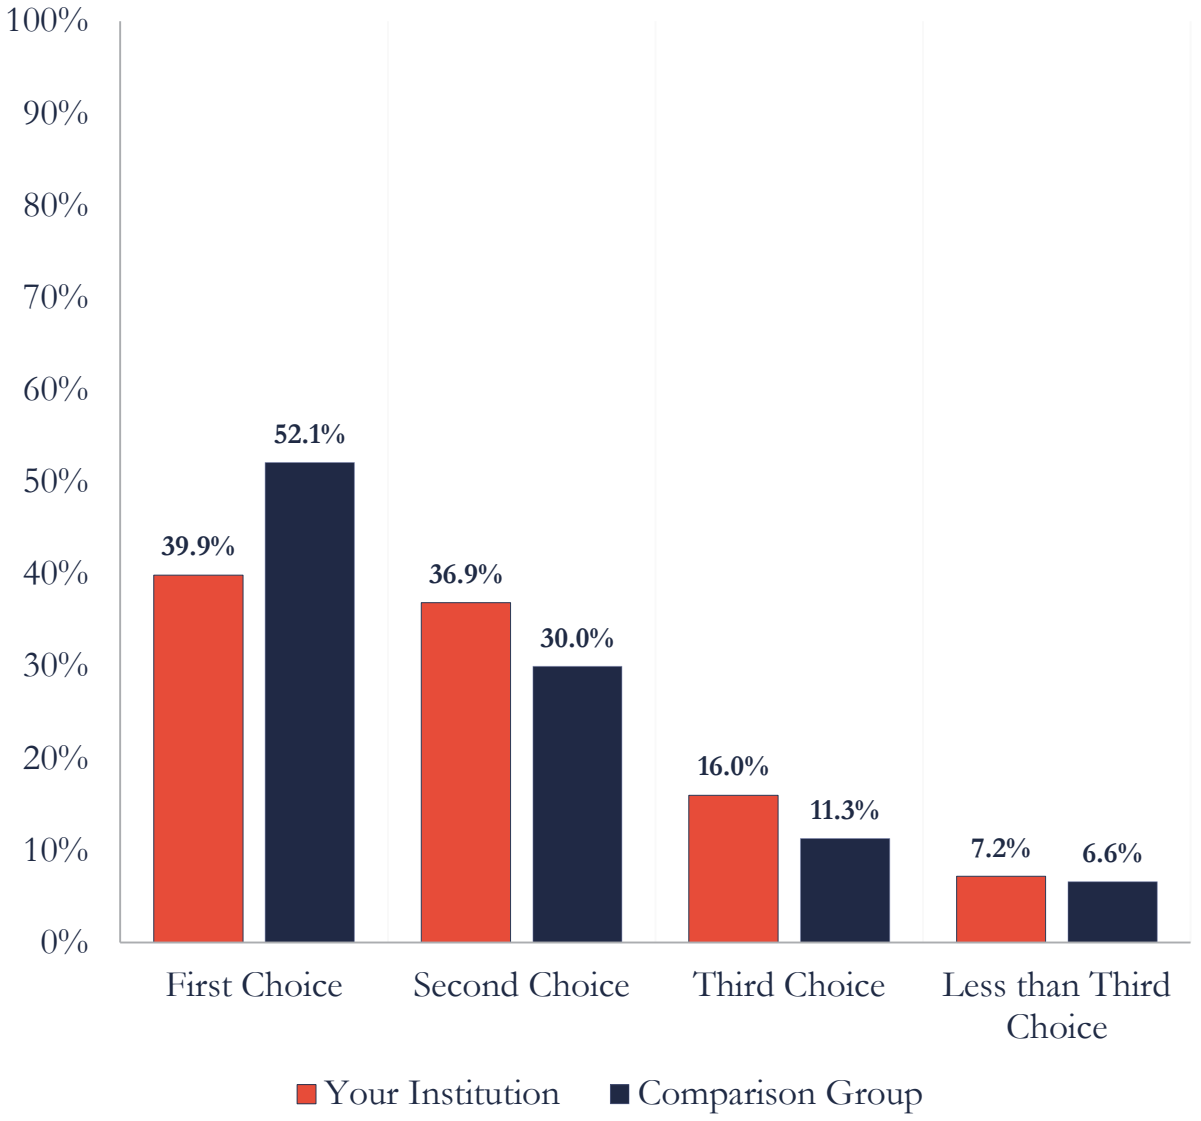


College Choice

Were you accepted by your first-choice college?

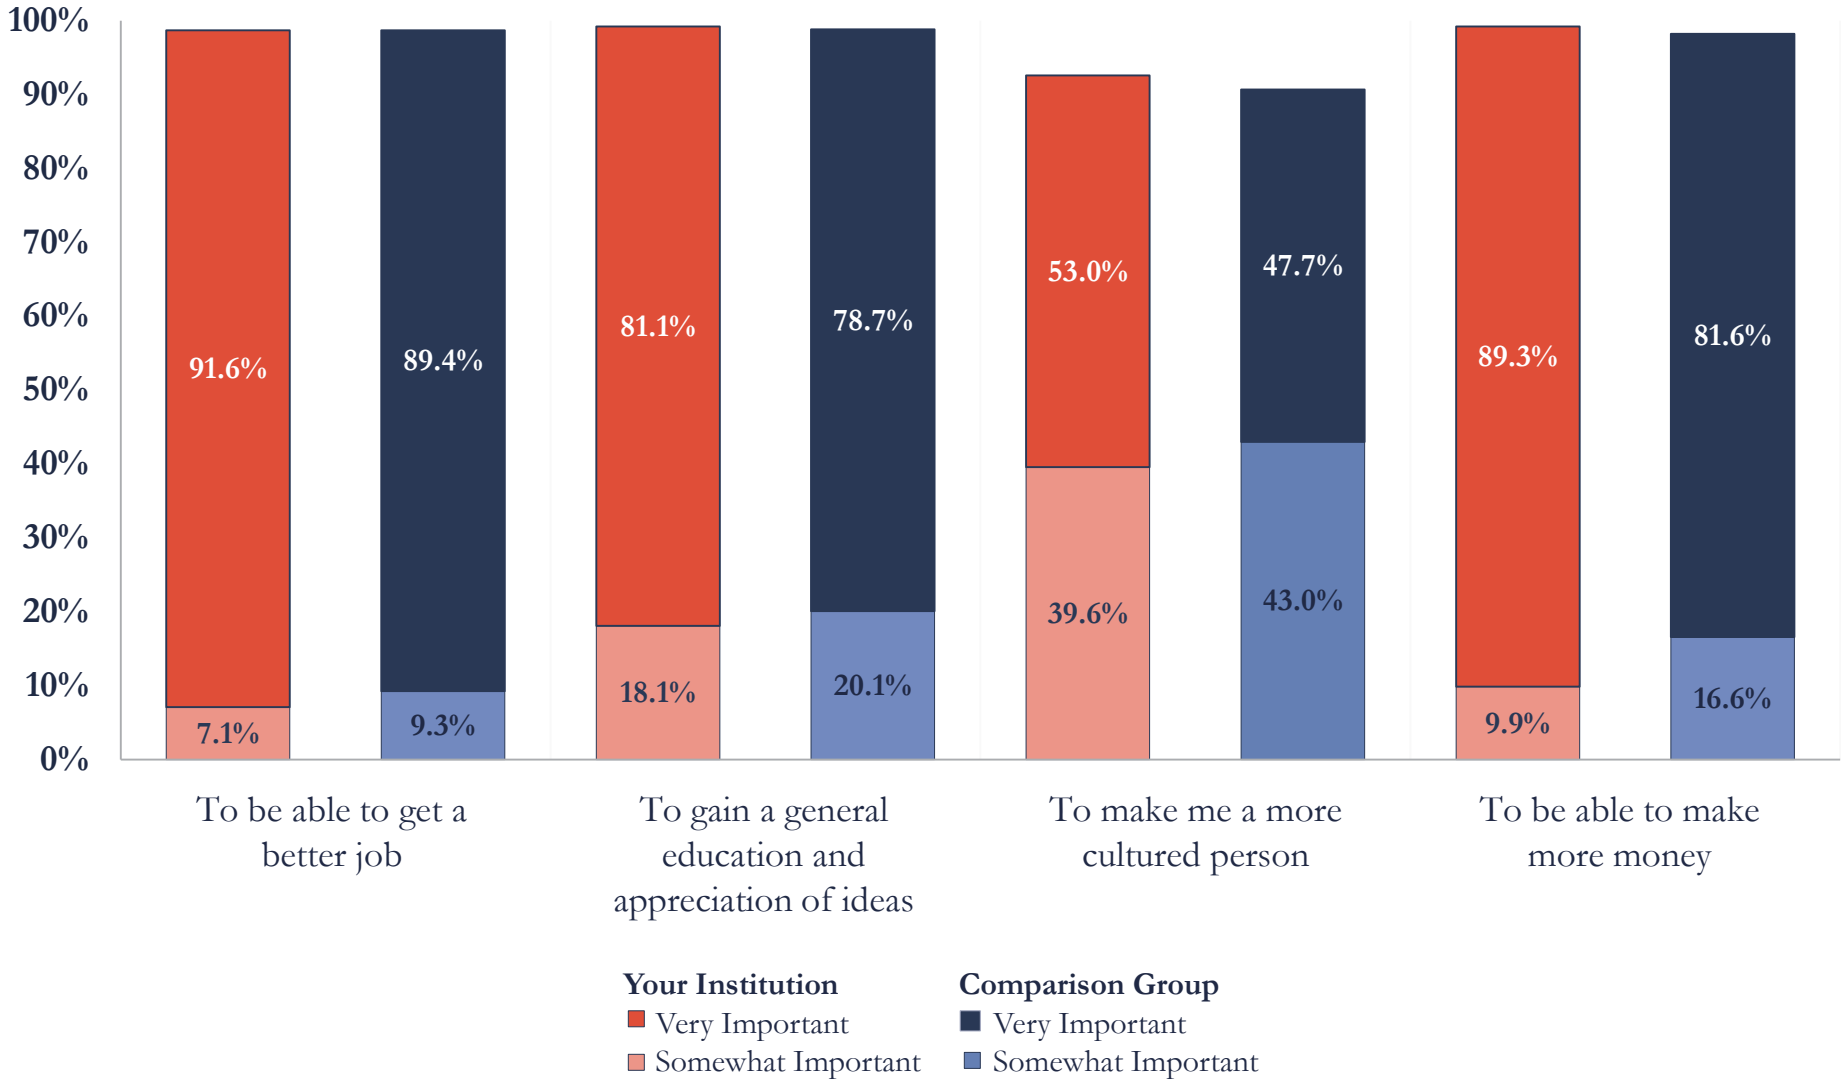


Is this college your…



Reasons for Attending College

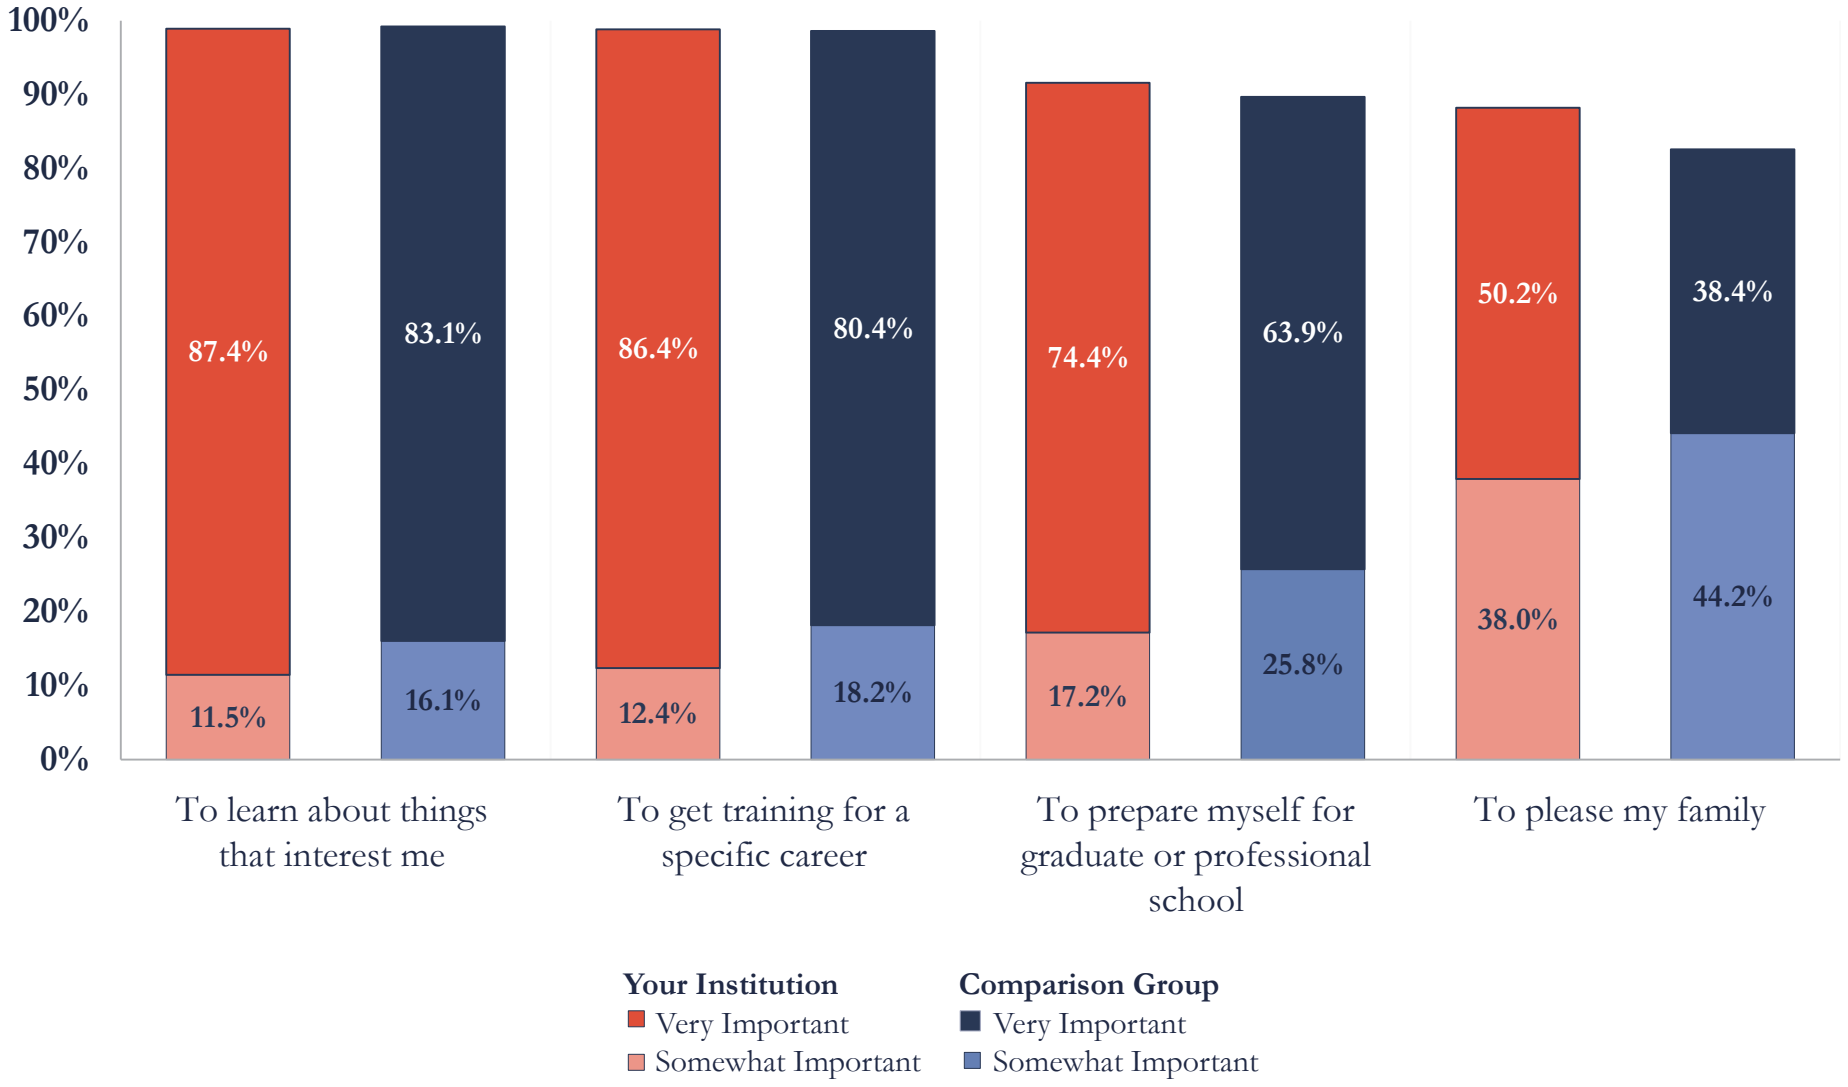
In deciding to *go to college*, how important to you was each of the following reasons?



HERI

Reasons for Attending College

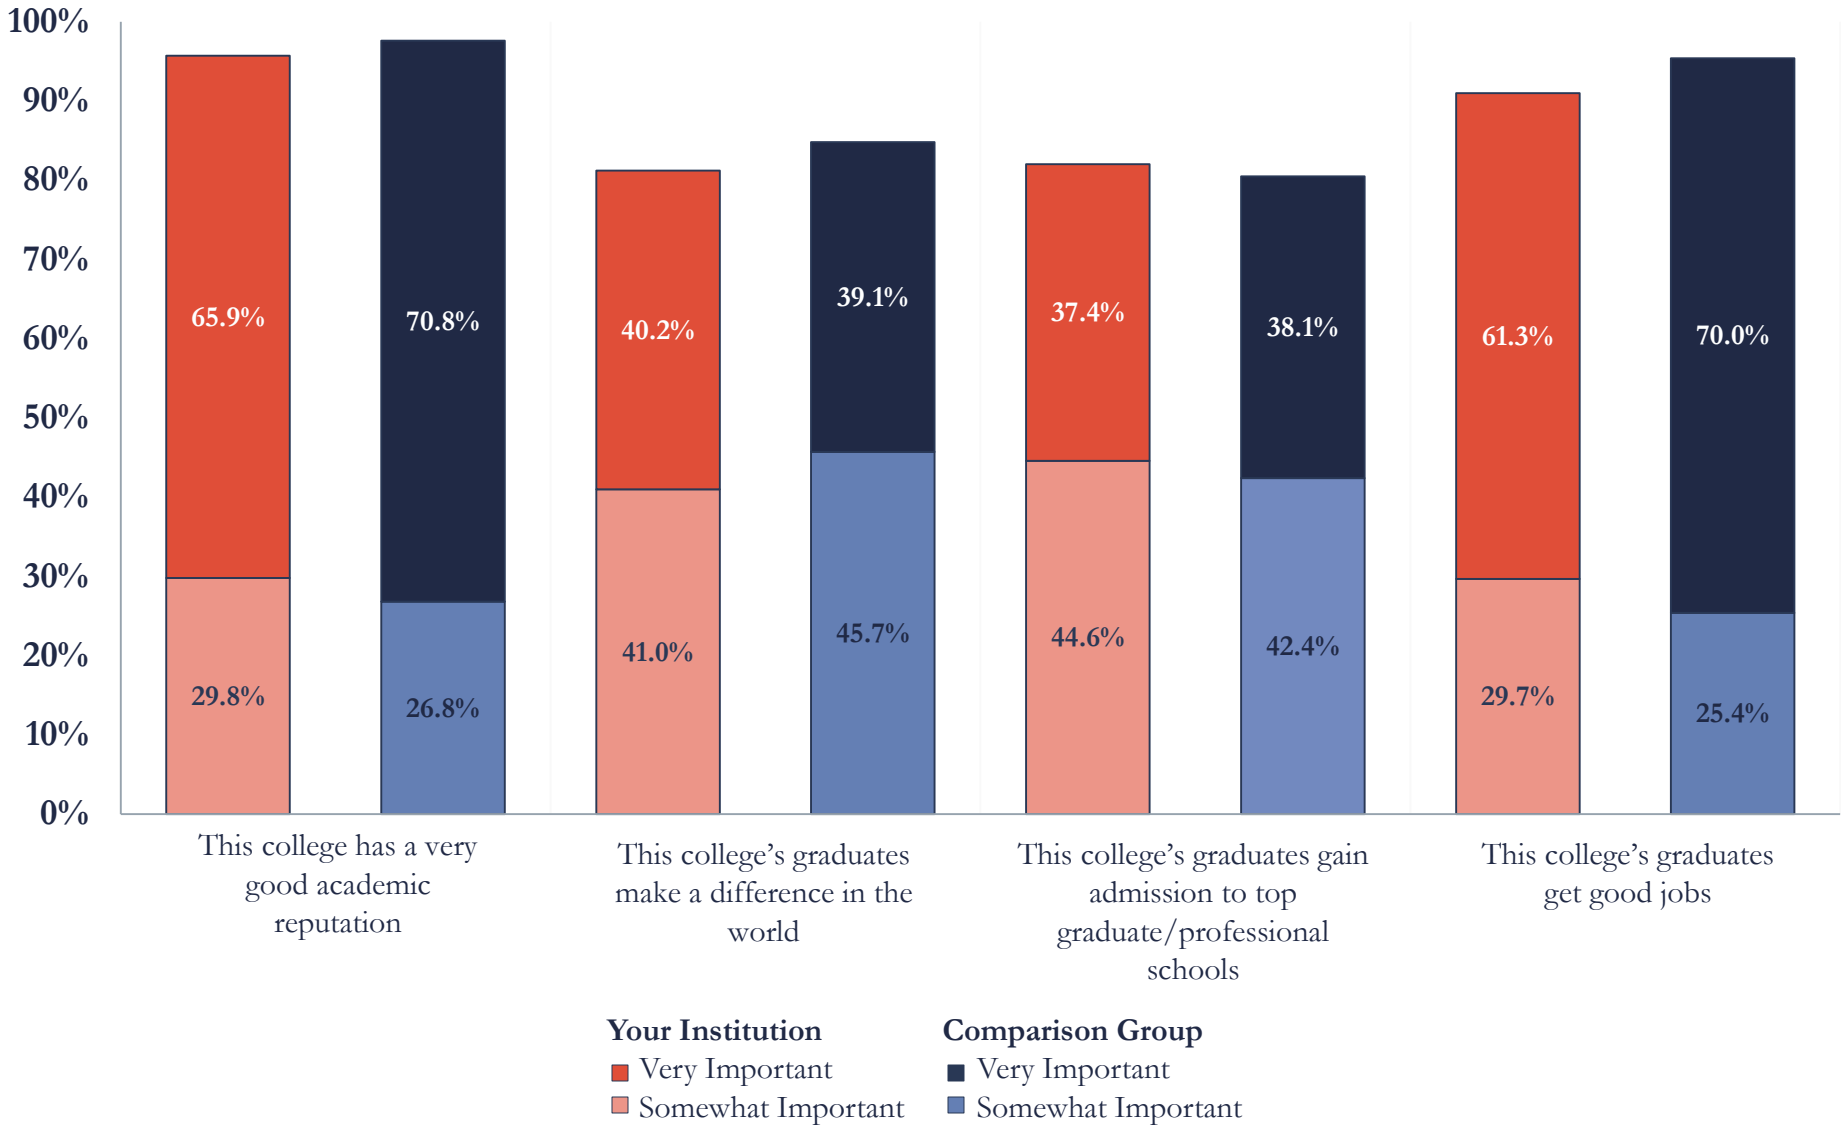
In deciding to *go to college*, how important to you was each of the following reasons?



HERI

Reasons for Attending *This* College

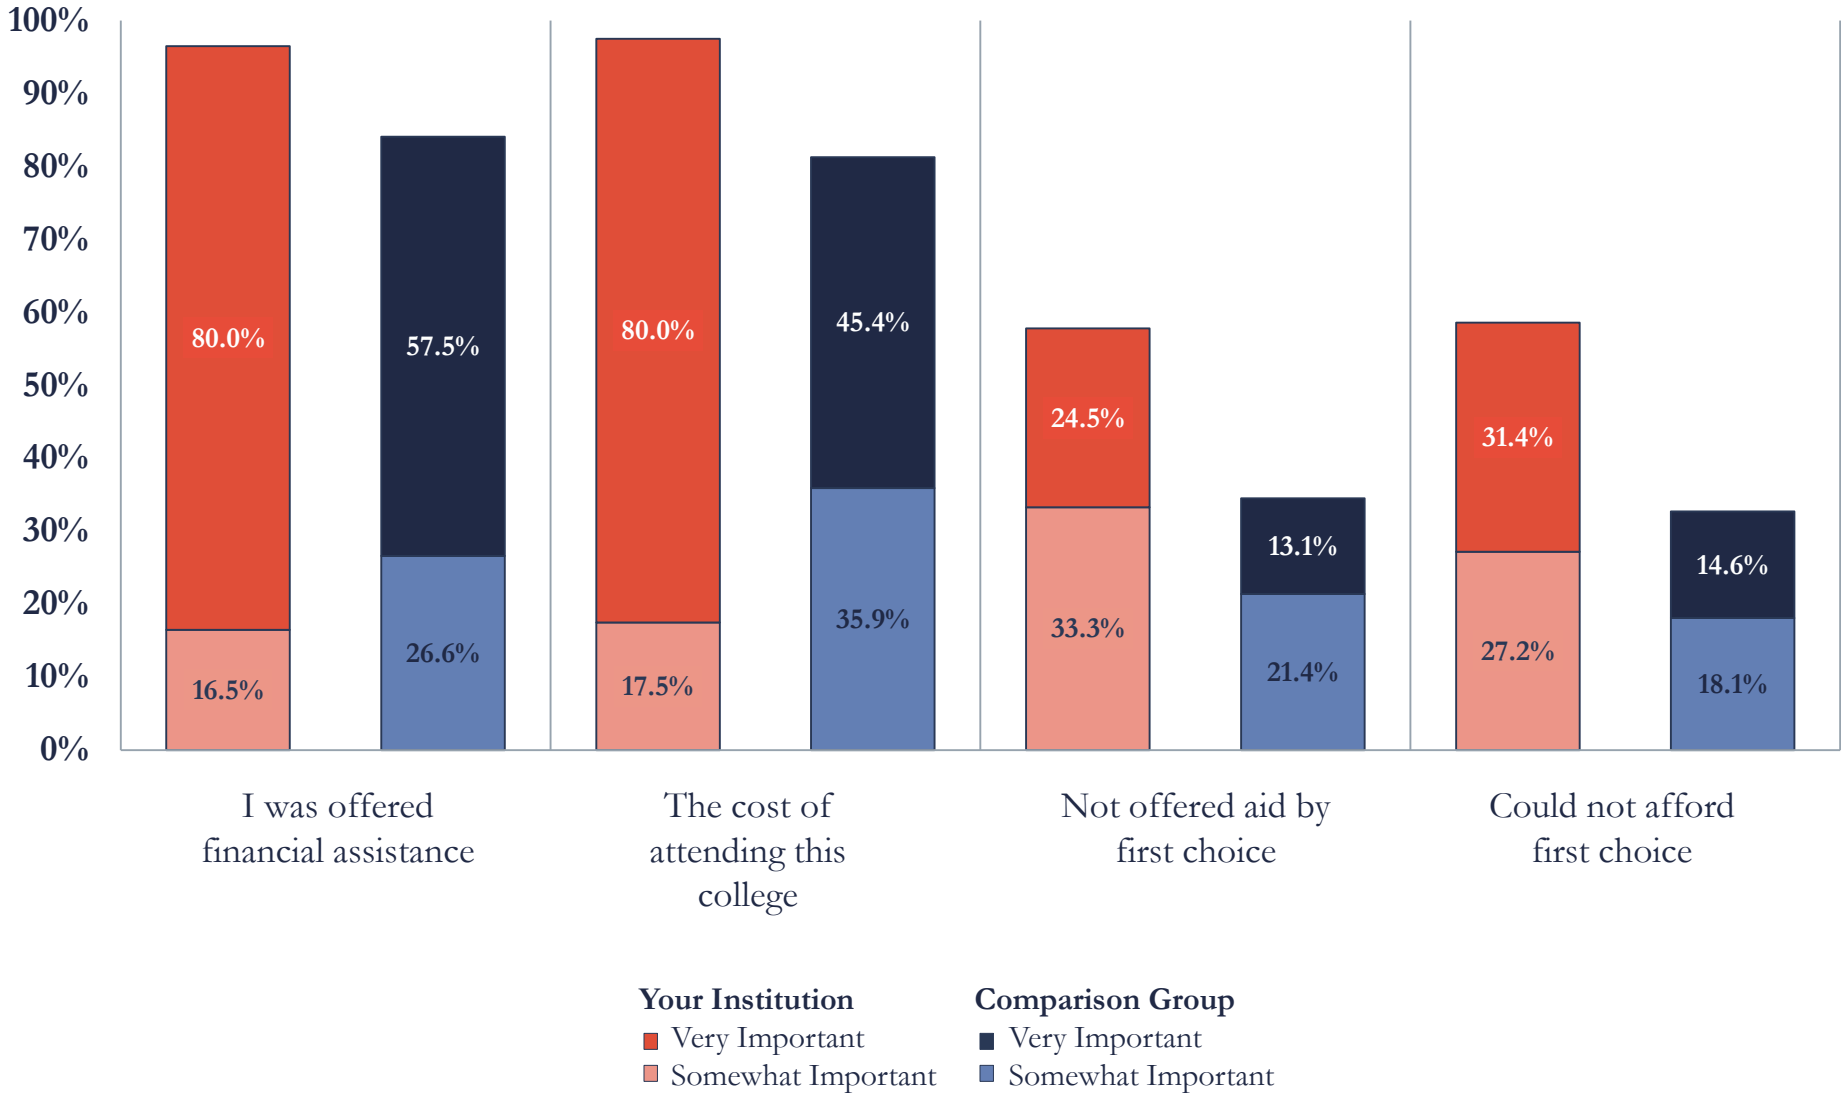
How important was each reason in your decision to attend *this college*?



HERI

Reasons for Attending *This* College

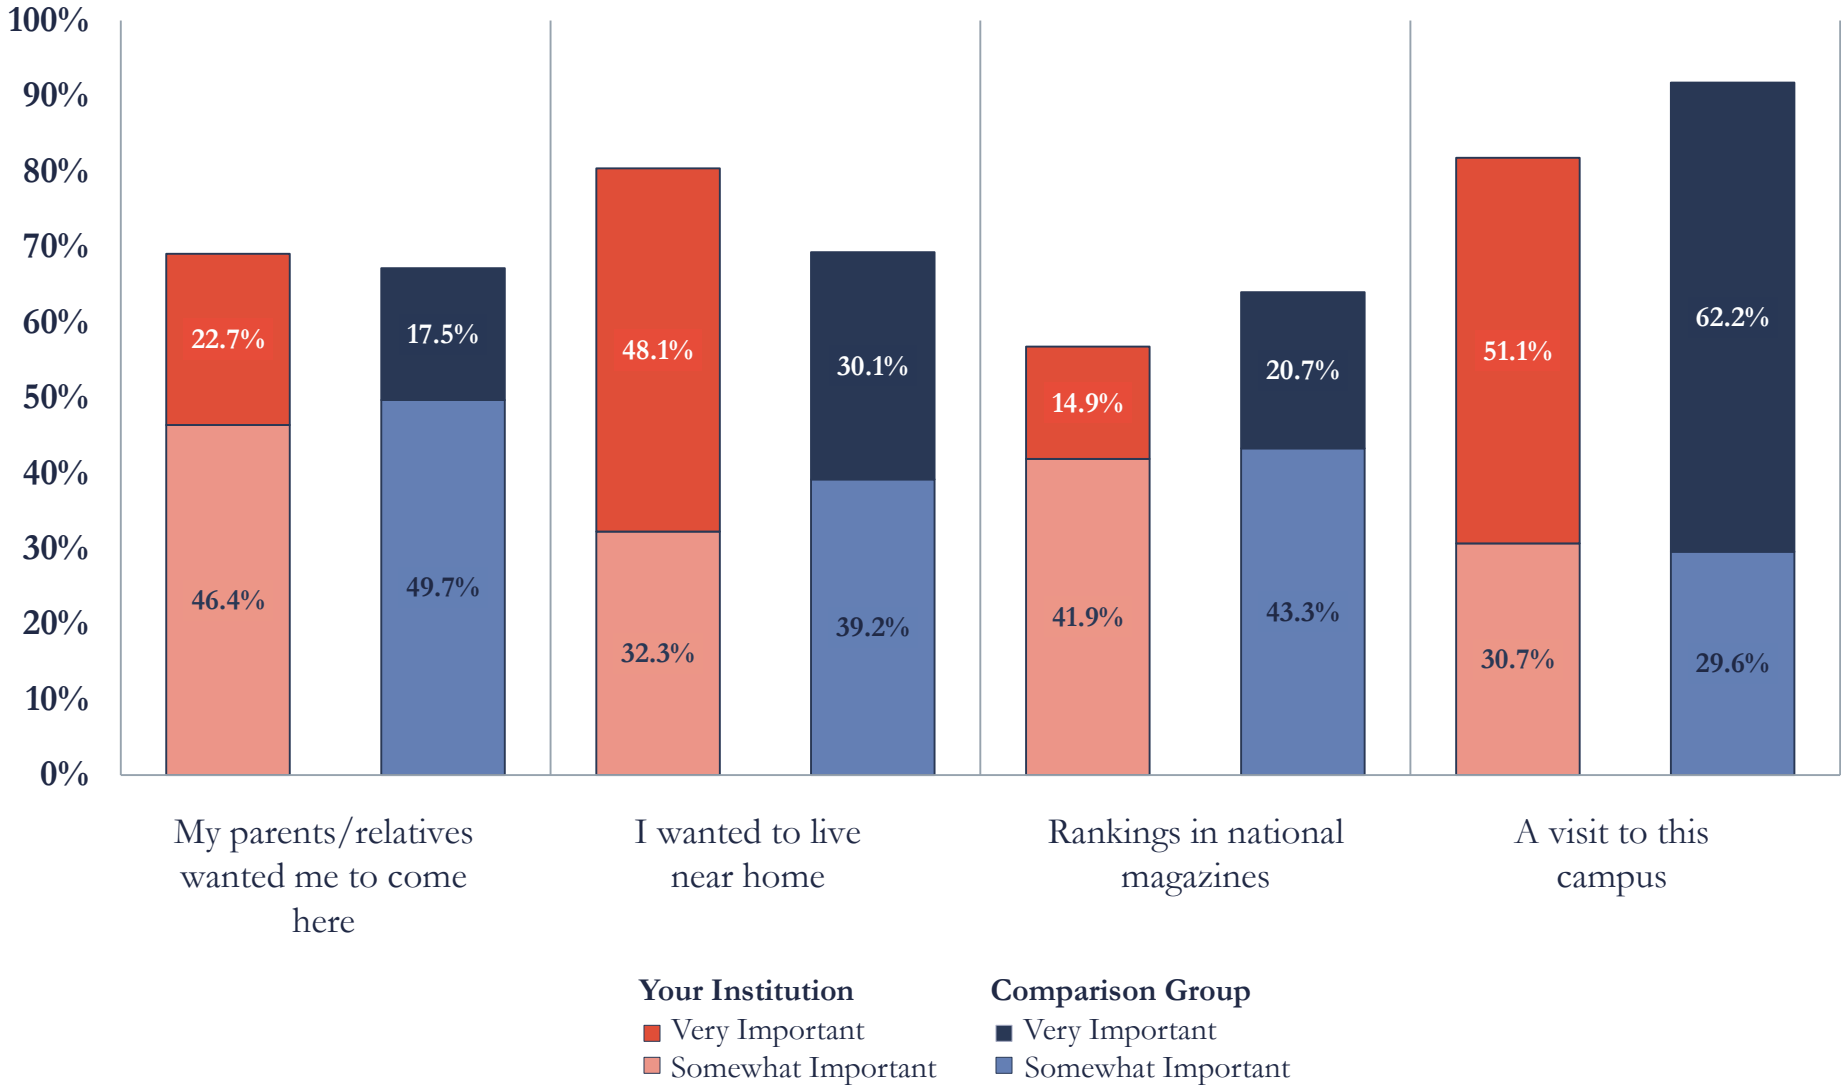
How important was each reason in your decision to attend *this college*?



HERI

Reasons for Attending *This* College

How important was each reason in your decision to attend *this college*?



HERI

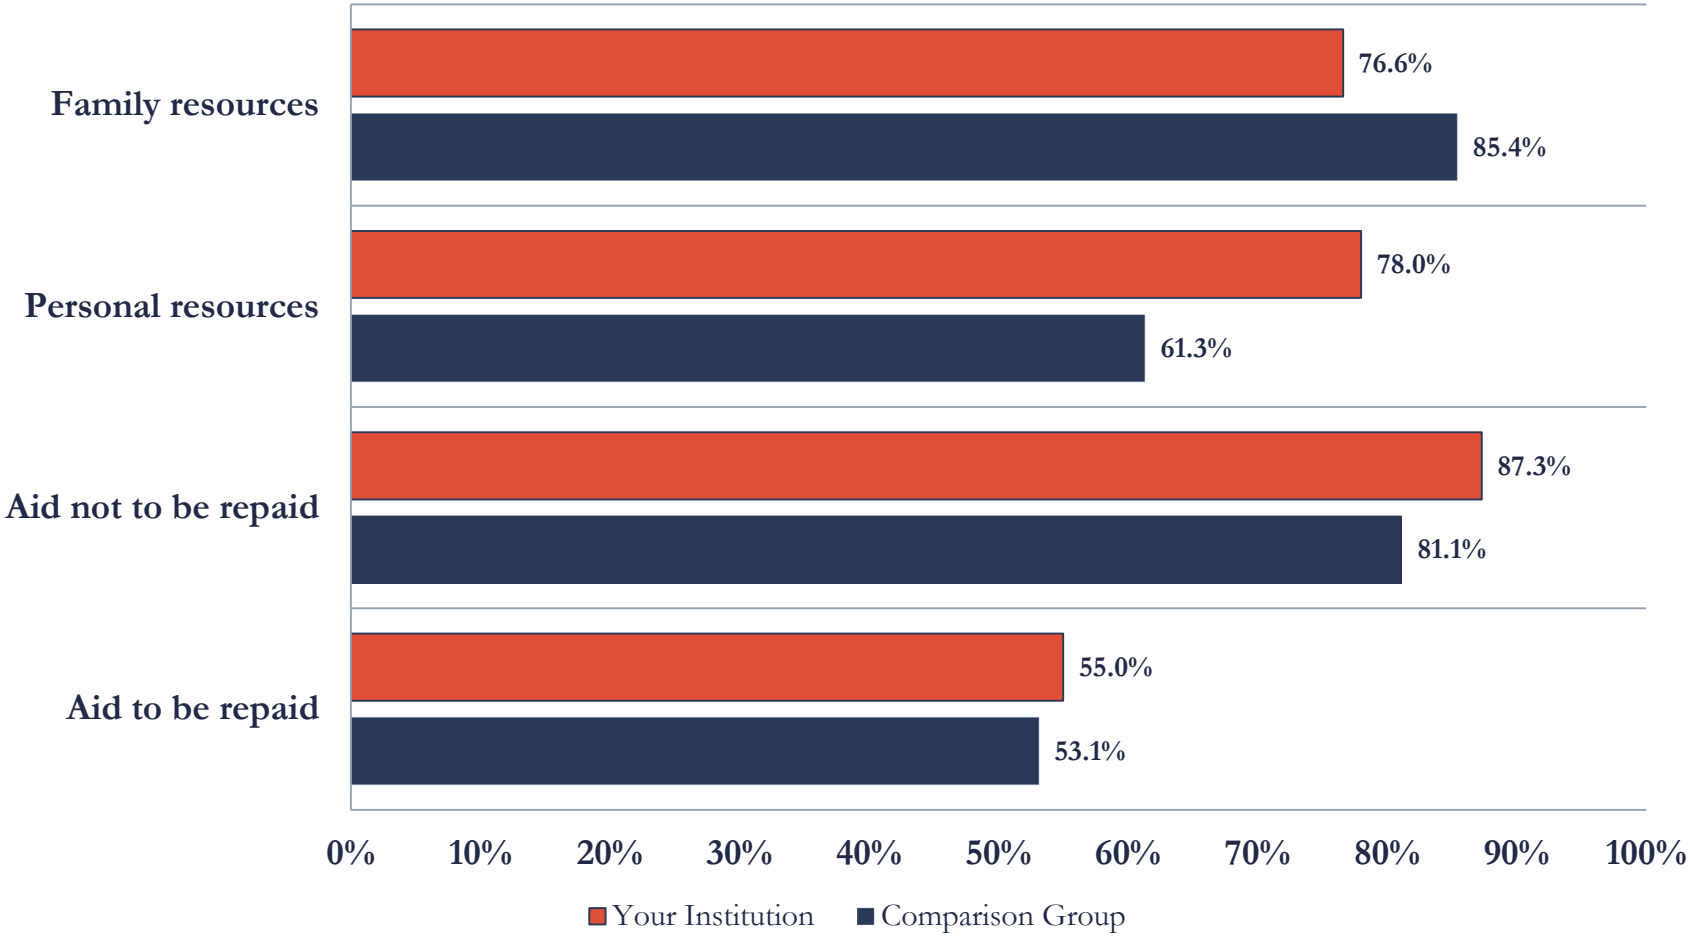
Financing College

Economic factors play an important role in students' decisions about college.

HERI

Funding Sources

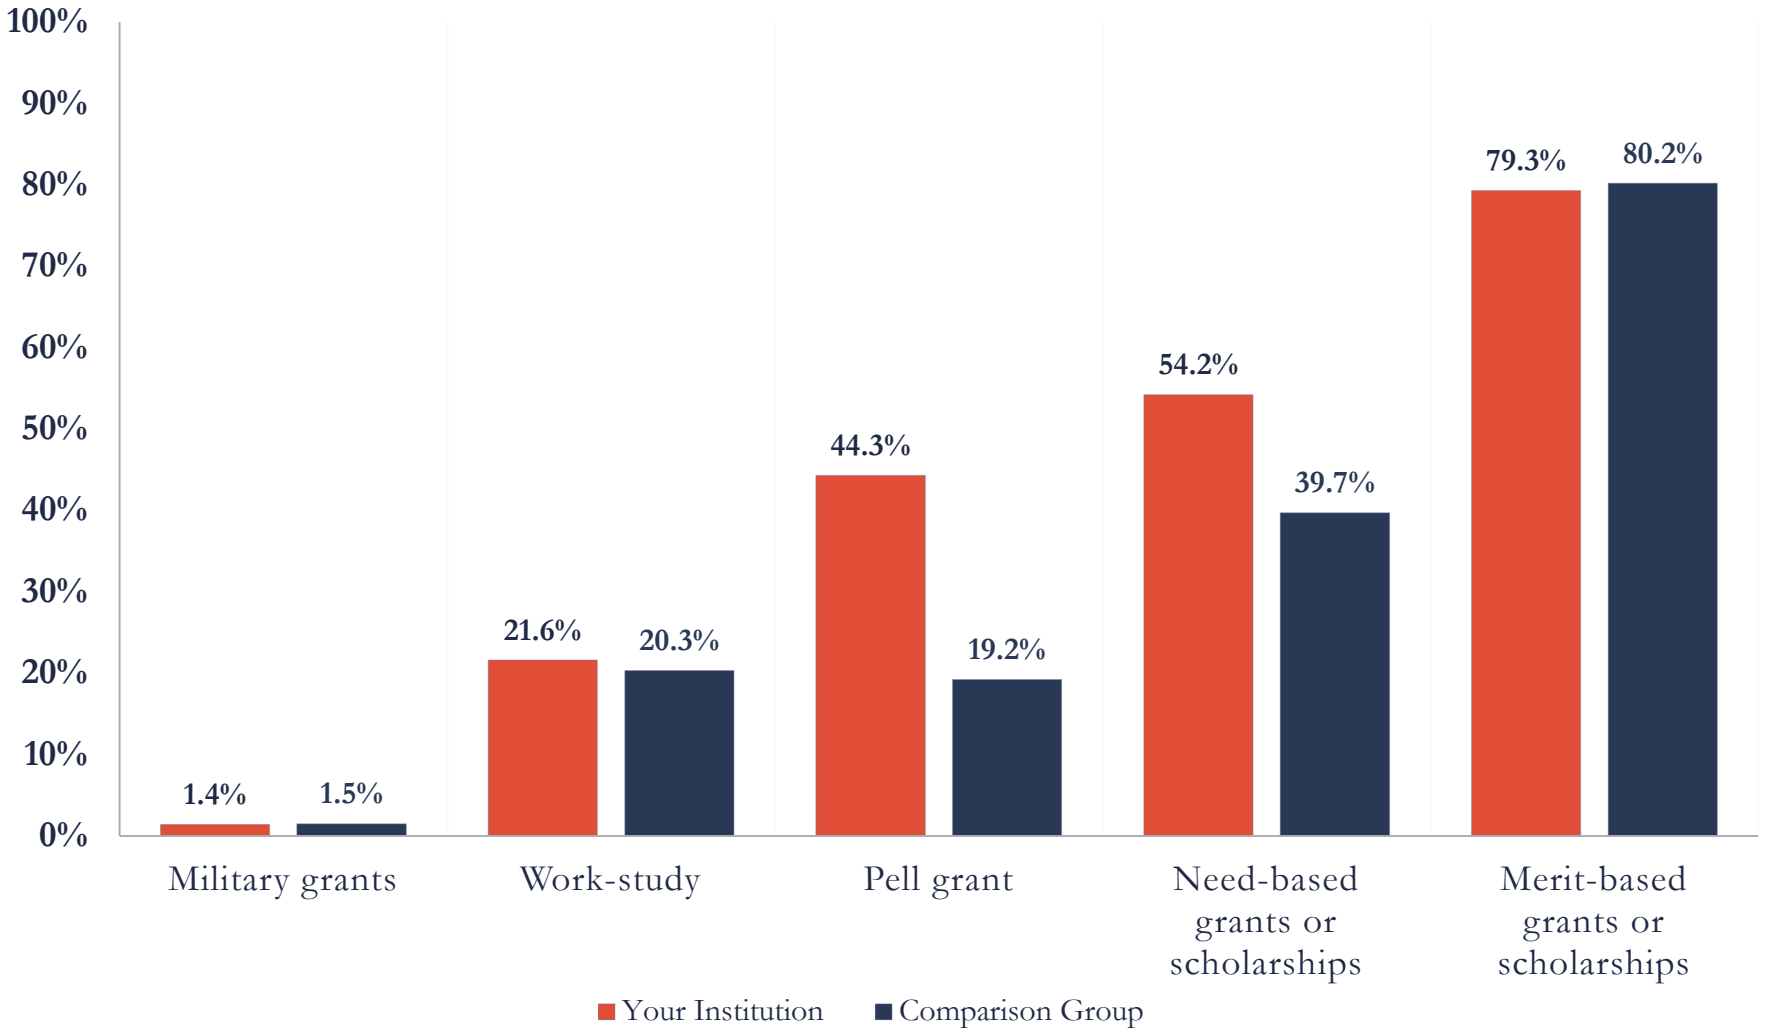
Students' first-year funding sources:



HERI

Financial Aid

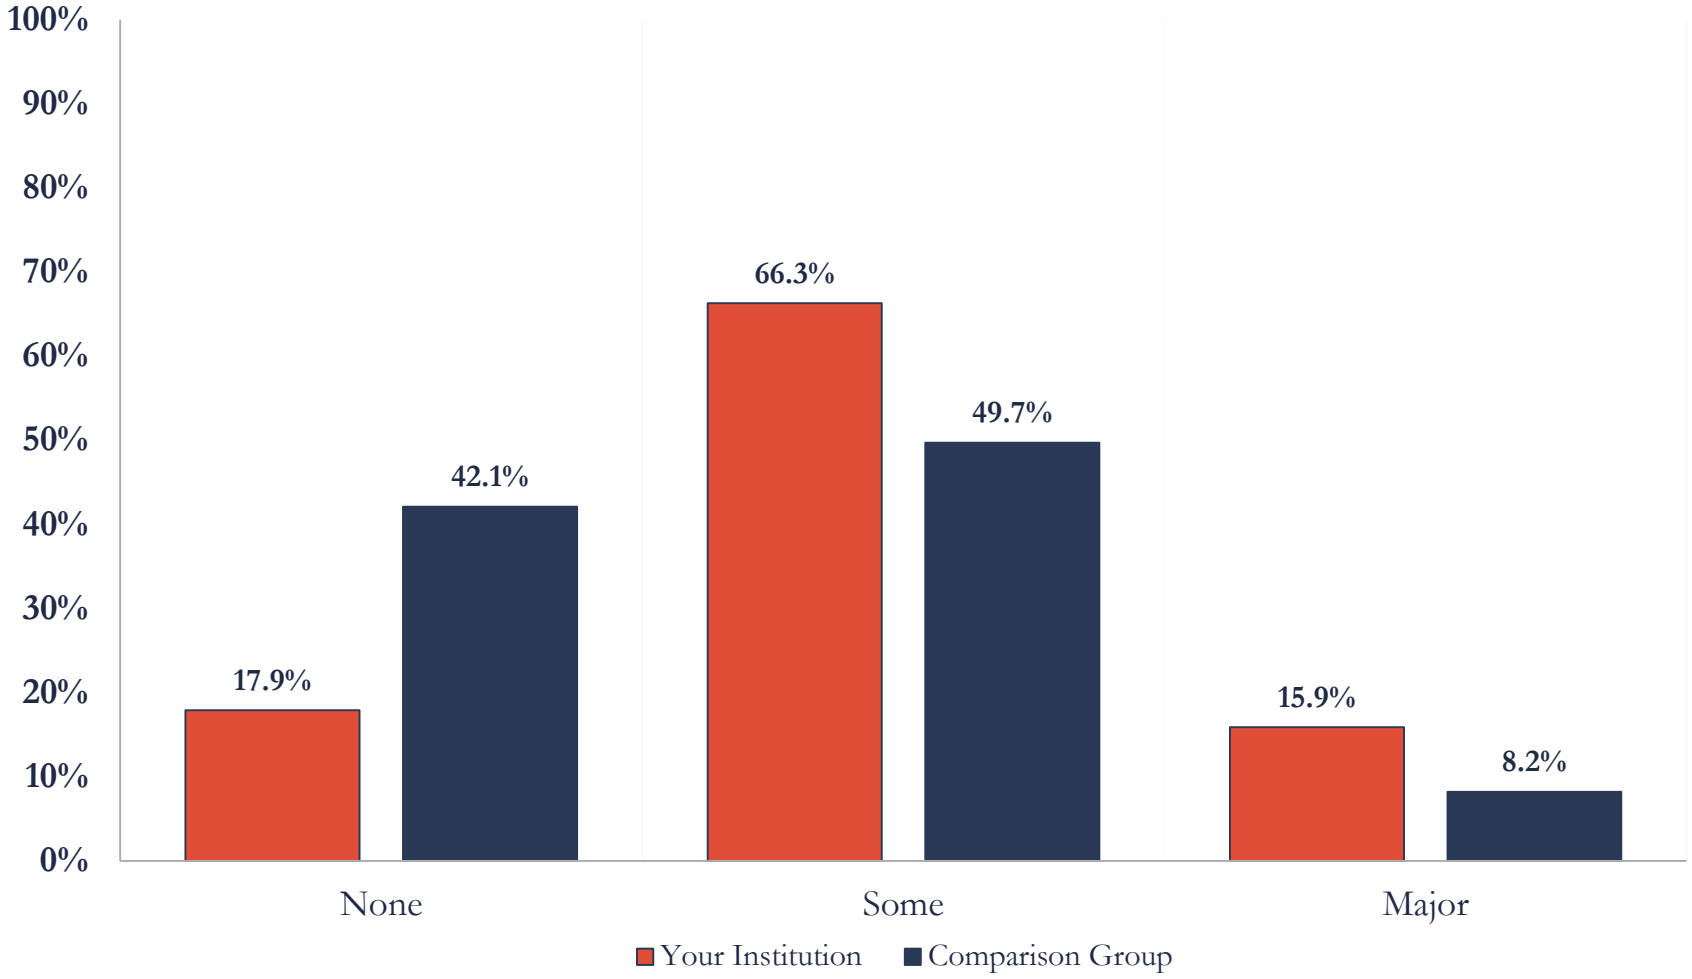
Did you receive any of the following forms of financial aid?



HERI

Ability to Finance Education

Do you have any concern about your ability to finance your college education?



HERI

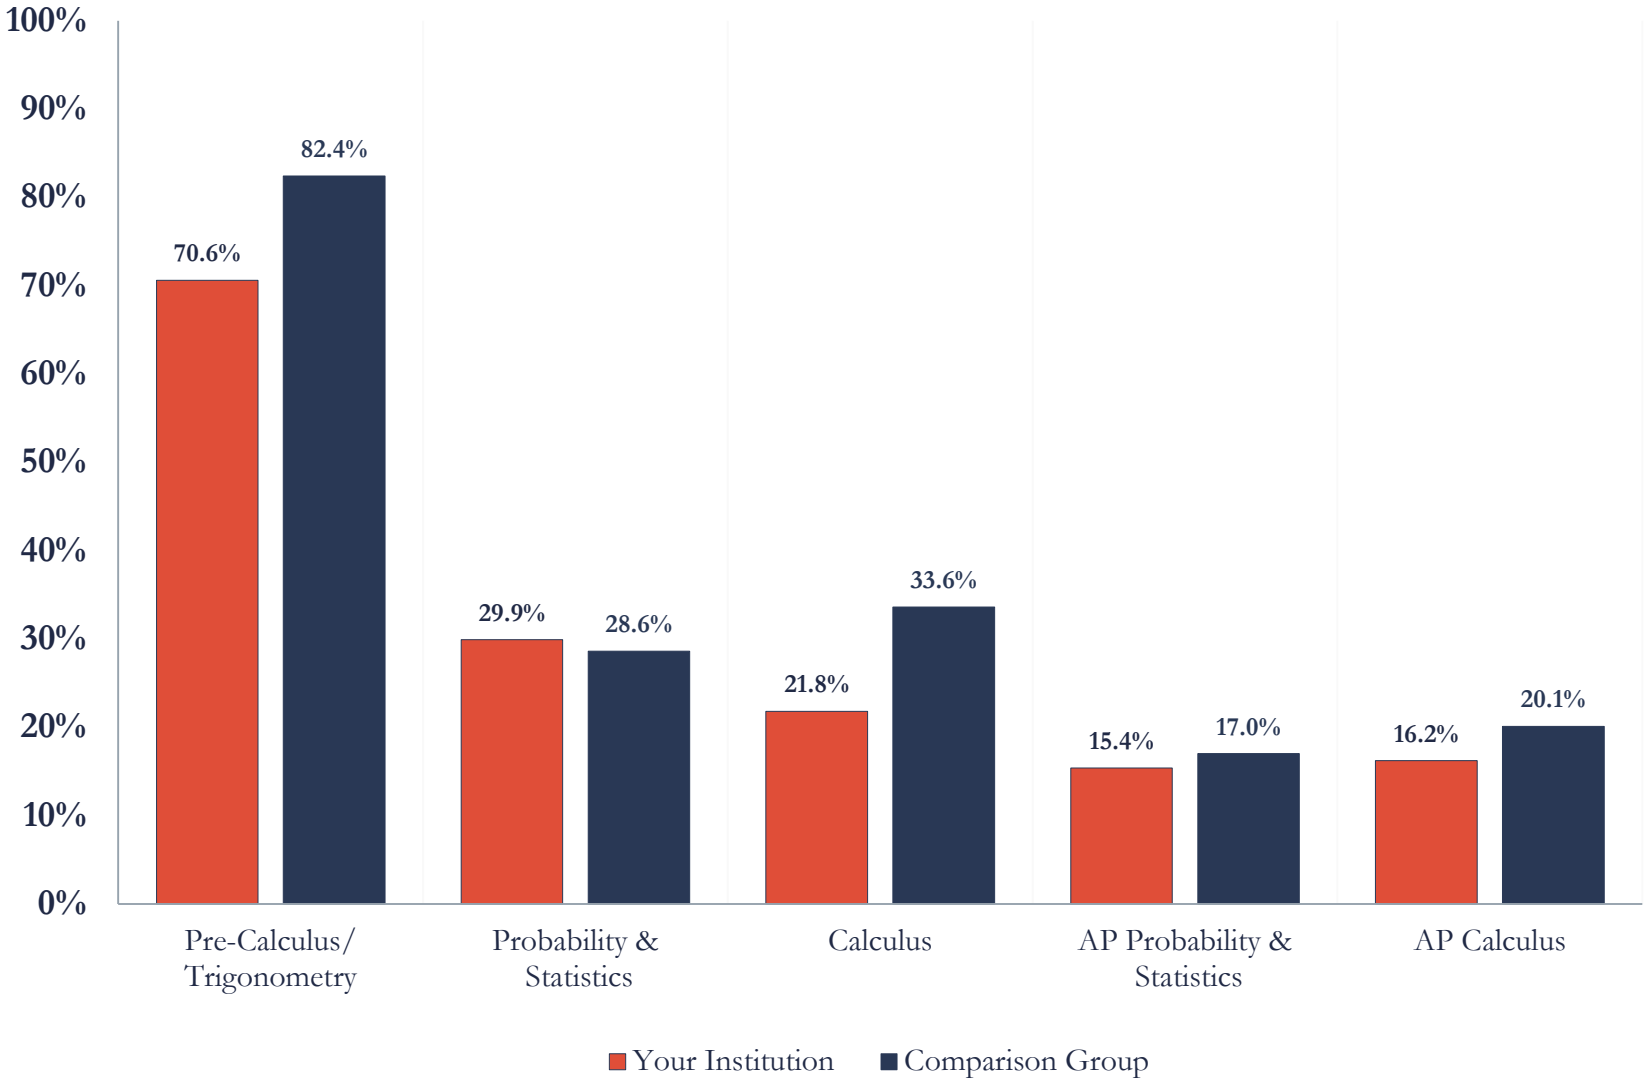
High School Experiences

Understanding students' established behaviors in high school helps foster skills, knowledge, and abilities in the curriculum and co-curriculum.

HERI

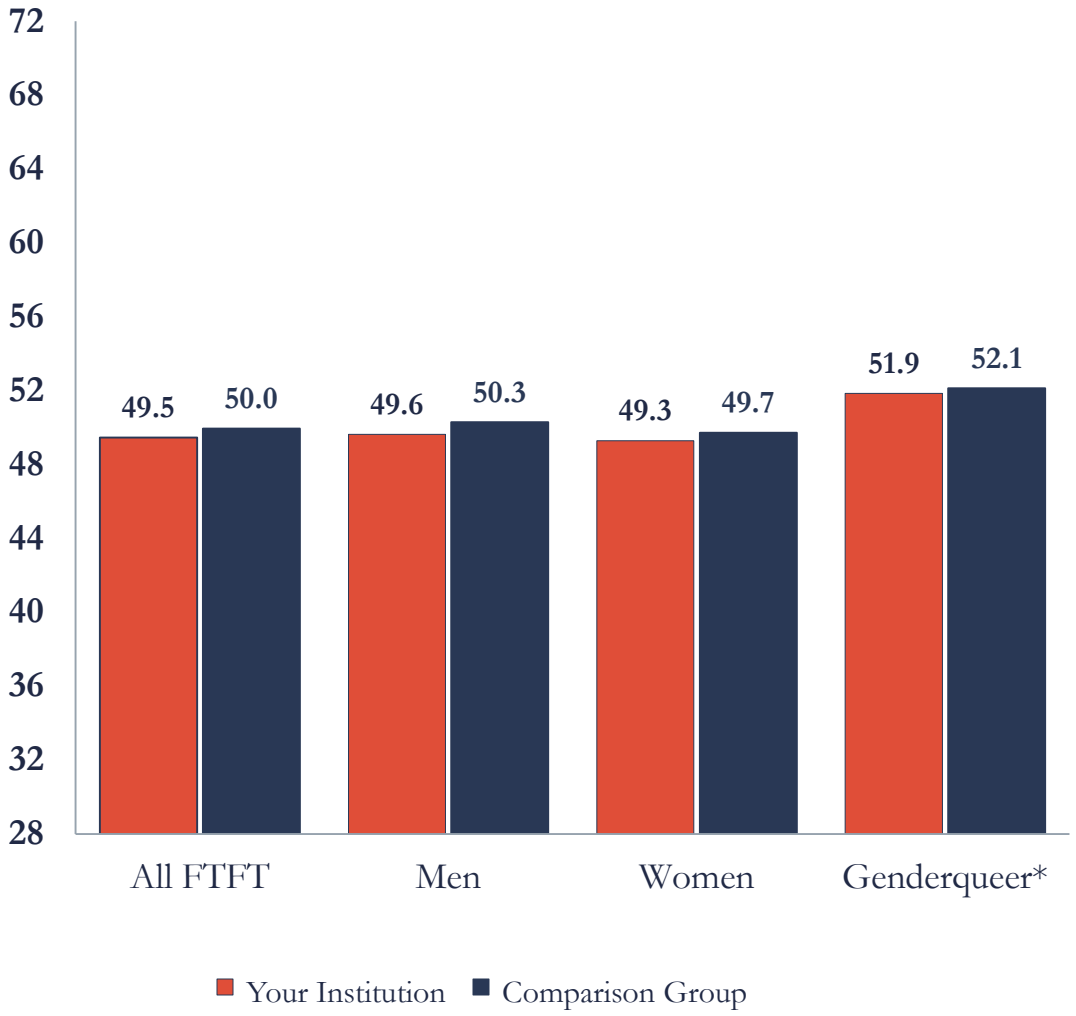
Academic Preparation

Please mark which of the following courses you have completed.



Habits of Mind

Habits of Mind **is a unified measure of the behaviors and traits associated with academic success. These learning behaviors are seen as the foundation for lifelong learning.**



Construct Items

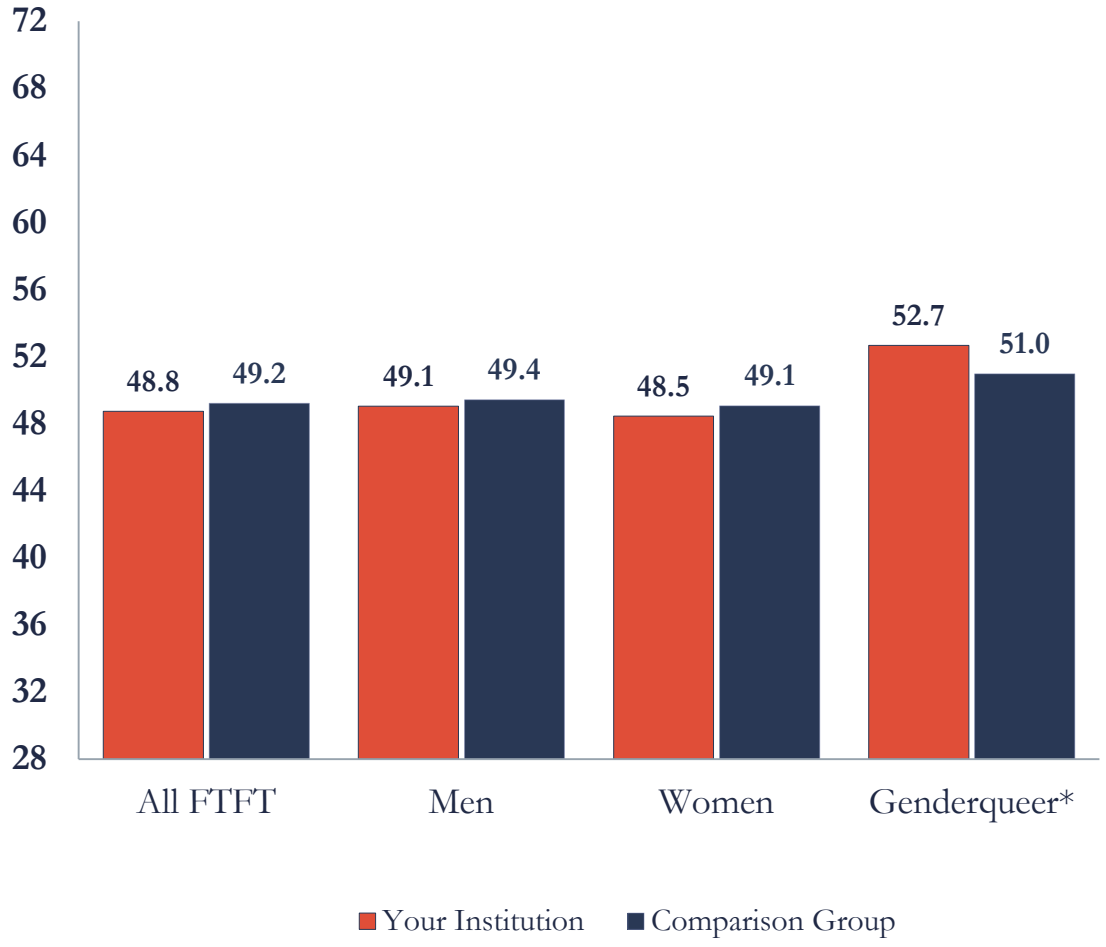
- Seek solutions to problems and explain them to others
- Support your opinions with a logical argument
- Look up scientific research articles and resources
- Accept mistakes as part of the learning process
- Explore topics on your own, even though it was not required for a class

* Includes non-binary, genderqueer, gender non-conforming, identity not listed above.

Data are included if your campus has an n>=5.

Pluralistic Orientation

Pluralistic Orientation **measures skills and dispositions appropriate for living and working in a diverse society.**



Construct Items

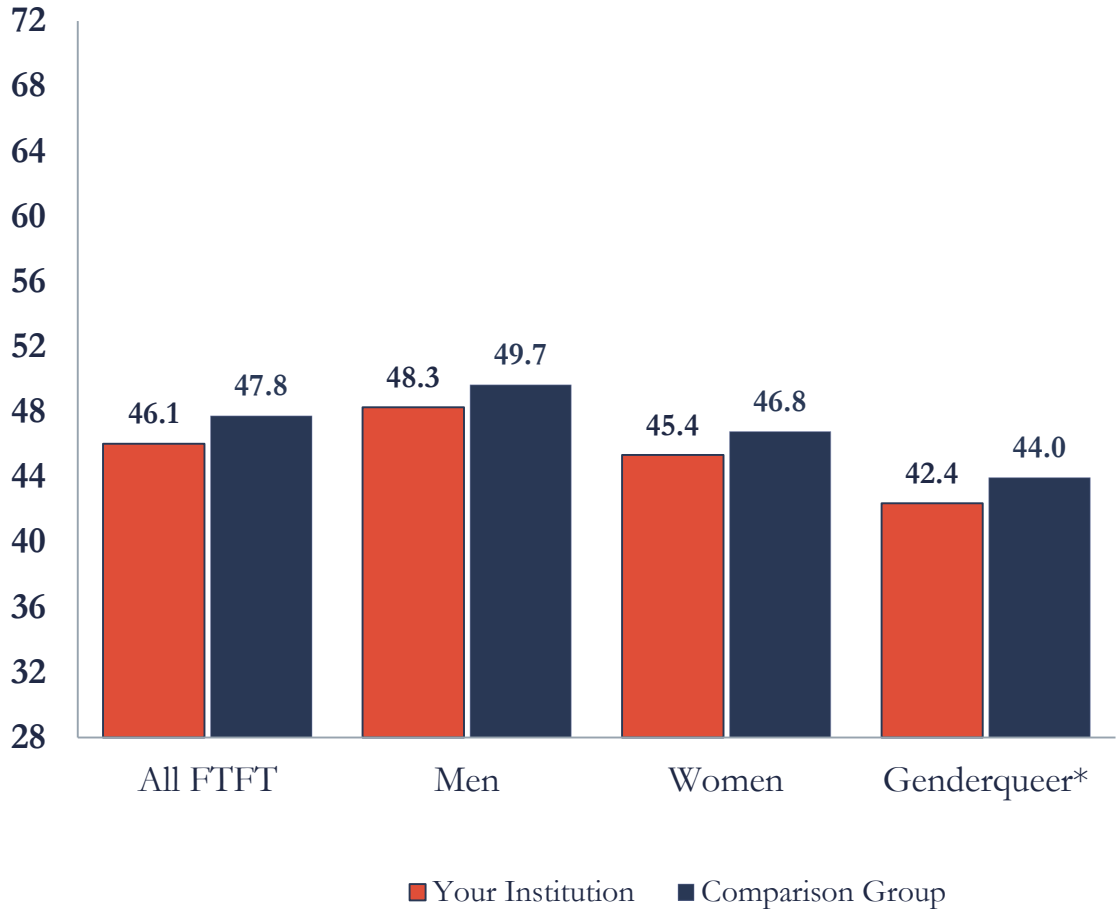
- Ability to see the world from someone else's perspective
- Tolerance of others with different beliefs
- Openness to having my own views challenged
- Ability to discuss and negotiate controversial issues
- Ability to work cooperatively with diverse people

* Includes non-binary, genderqueer, gender non-conforming, identity not listed above.

Data are included if your campus has an n>=5.

Academic Self-Concept

Self-awareness and confidence in academic environments help students learn by encouraging their intellectual inquiry. *Academic Self-Concept* is a unified measure of students' beliefs about their abilities and confidence in academic environments.



Construct Items

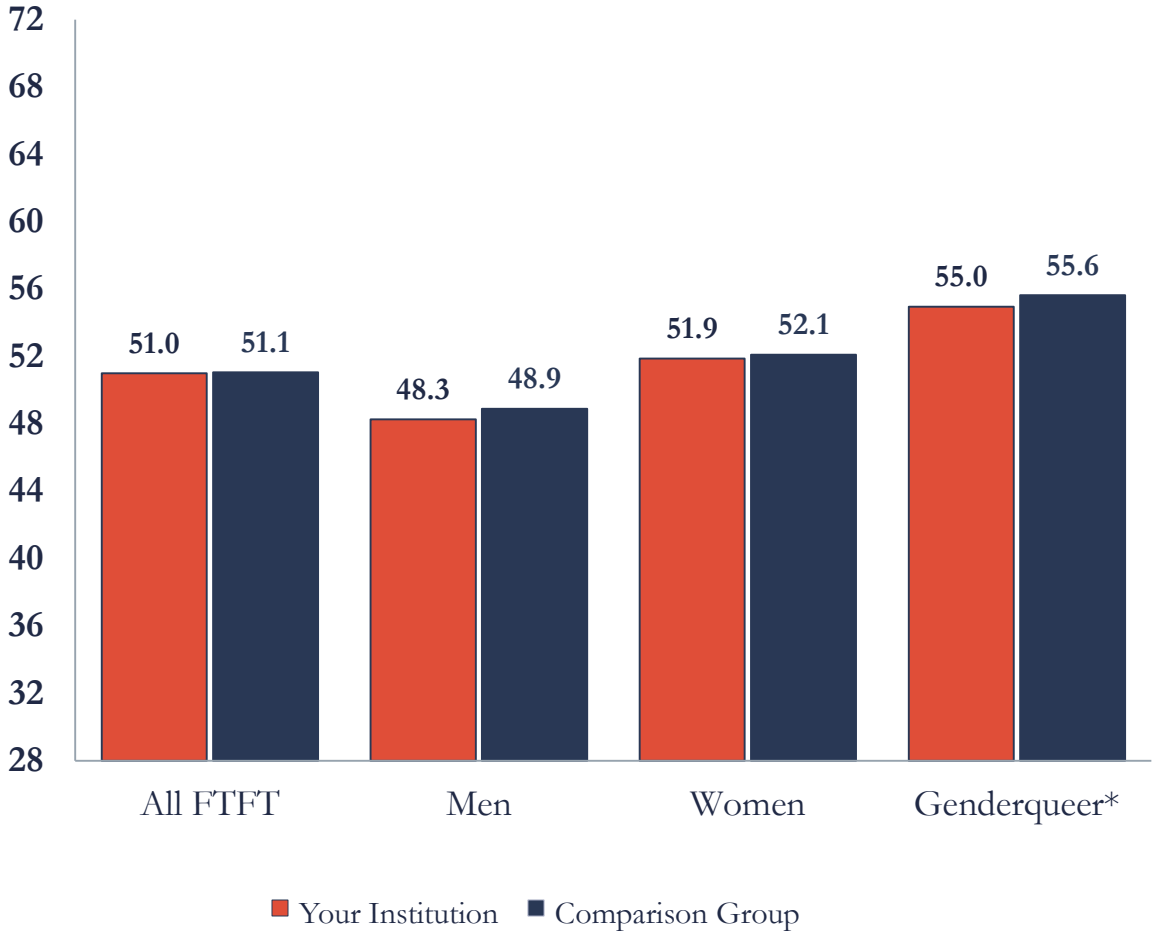
- Self-rated academic ability
- Self-rated mathematical ability
- Self-rated self-confidence (intellectual)
- Self-rated drive to achieve

* Includes non-binary, genderqueer, gender non-conforming, identity not listed above.

Data are included if your campus has an n>=5.

Civic Engagement

Engaged citizens are a critical element in the functioning of our democratic society. *Civic Engagement* measures the extent to which students are motivated and involved in civic, electoral, and political activities.



Construct Items

- Demonstrated for a cause (e.g., boycott, rally, protest)
- Performed volunteer work
- Helped raise money for a cause or campaign
- Publicly communicated my opinion about a cause (e.g., blog, email, petition)
- Influencing social values
- Keeping up to date with political affairs

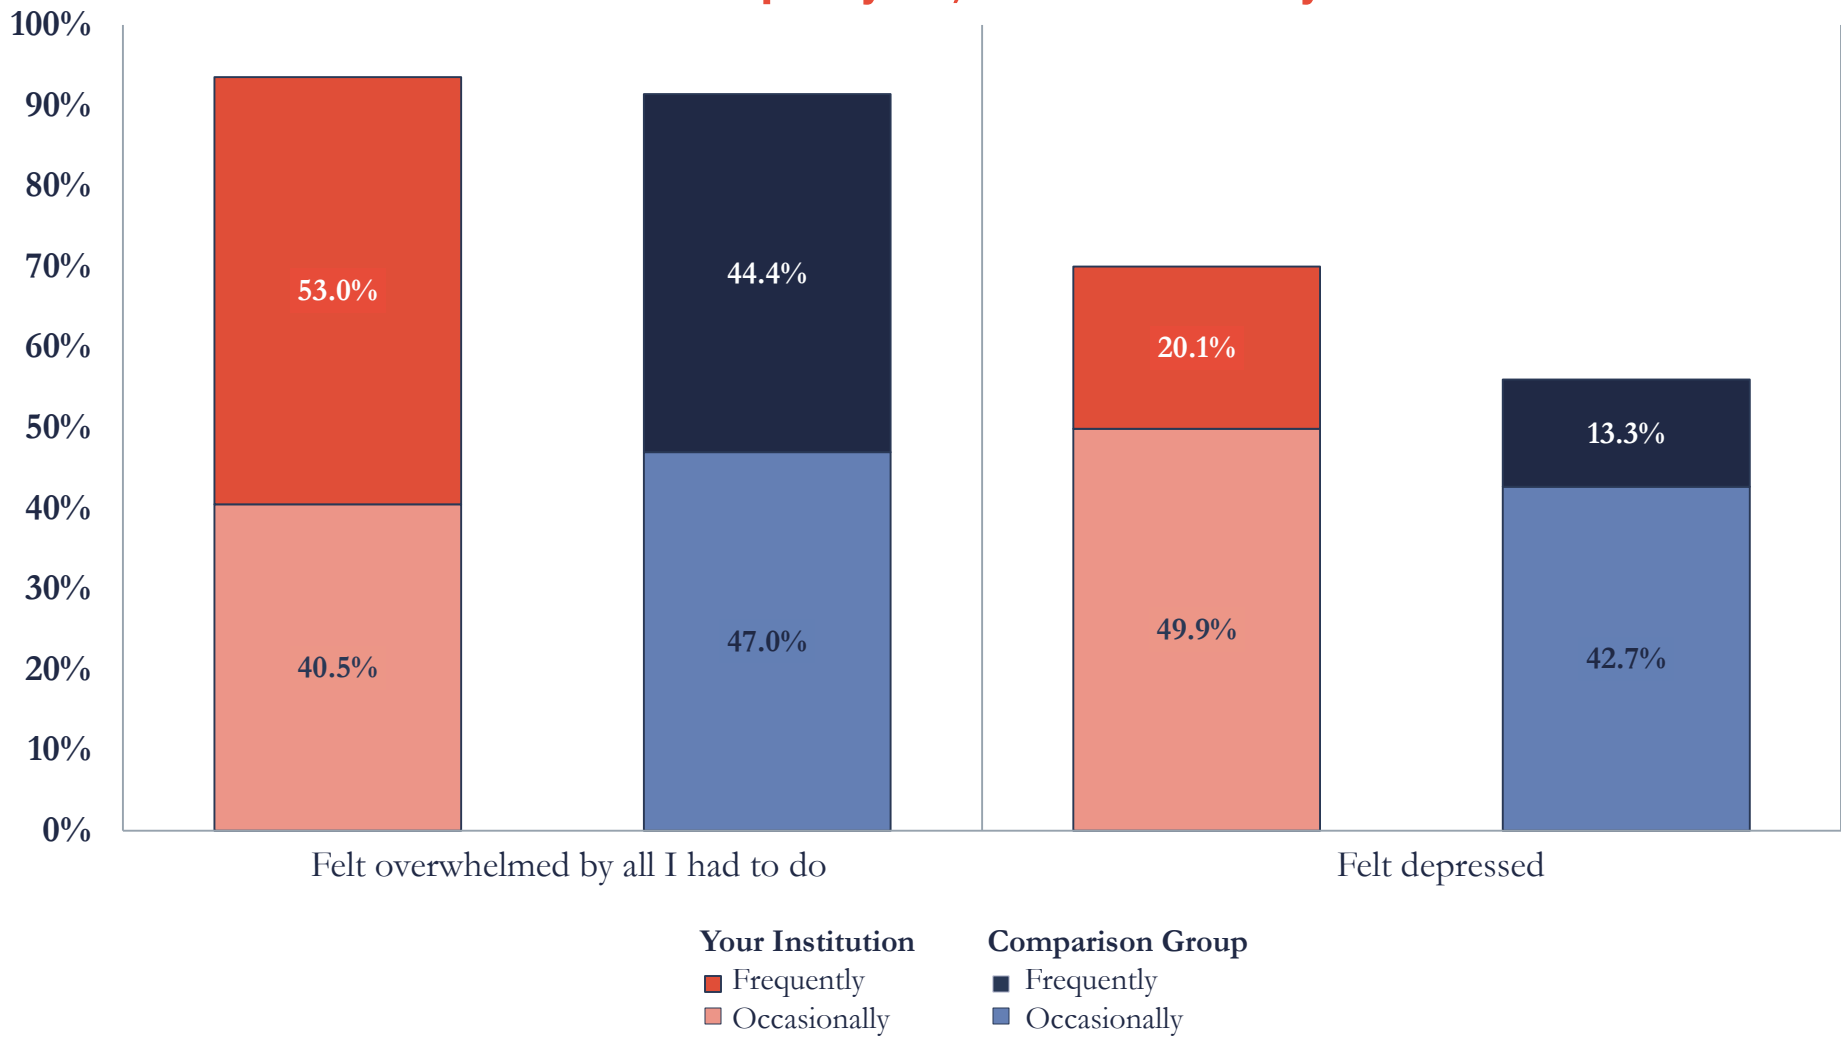
* Includes non-binary, genderqueer, gender non-conforming, identity not listed above.

Data are included if your campus has an n>=5.

Health and Wellness

Students' emotional well-being can affect many important aspects of the student experience including academic performance and persistence.

In the past year, how often have you:



HERI

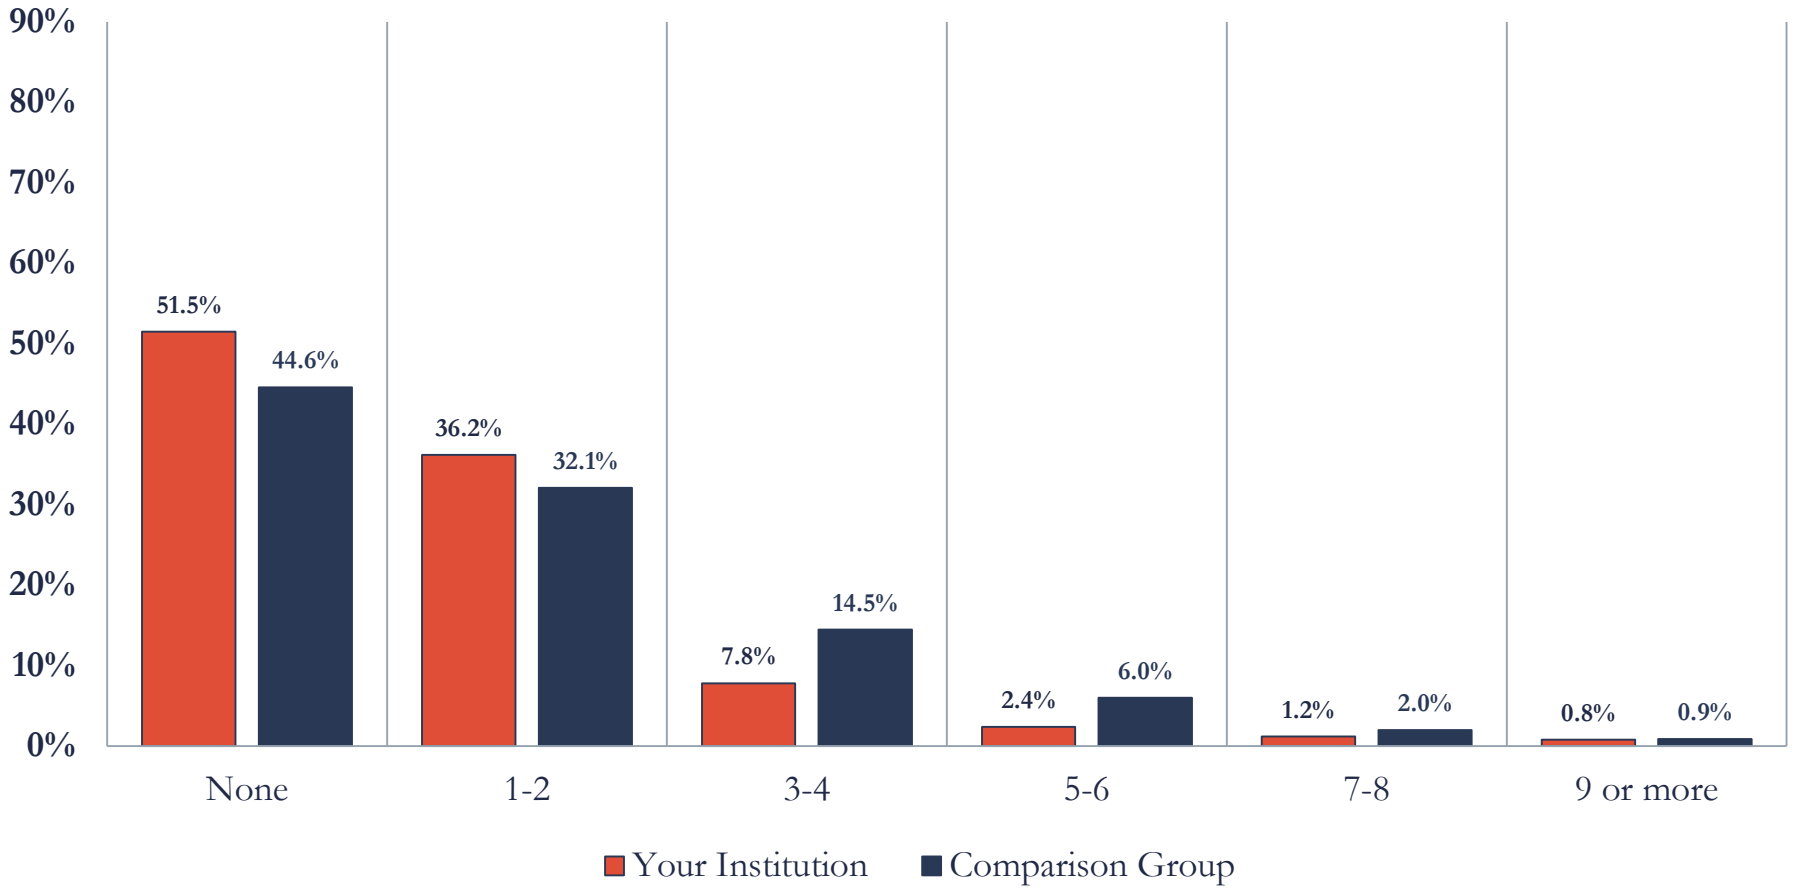
College Preparation

These items illustrate students' academic preparation.

HERI

AP Exam Scores

On how many AP exams did you score a 3 or higher?

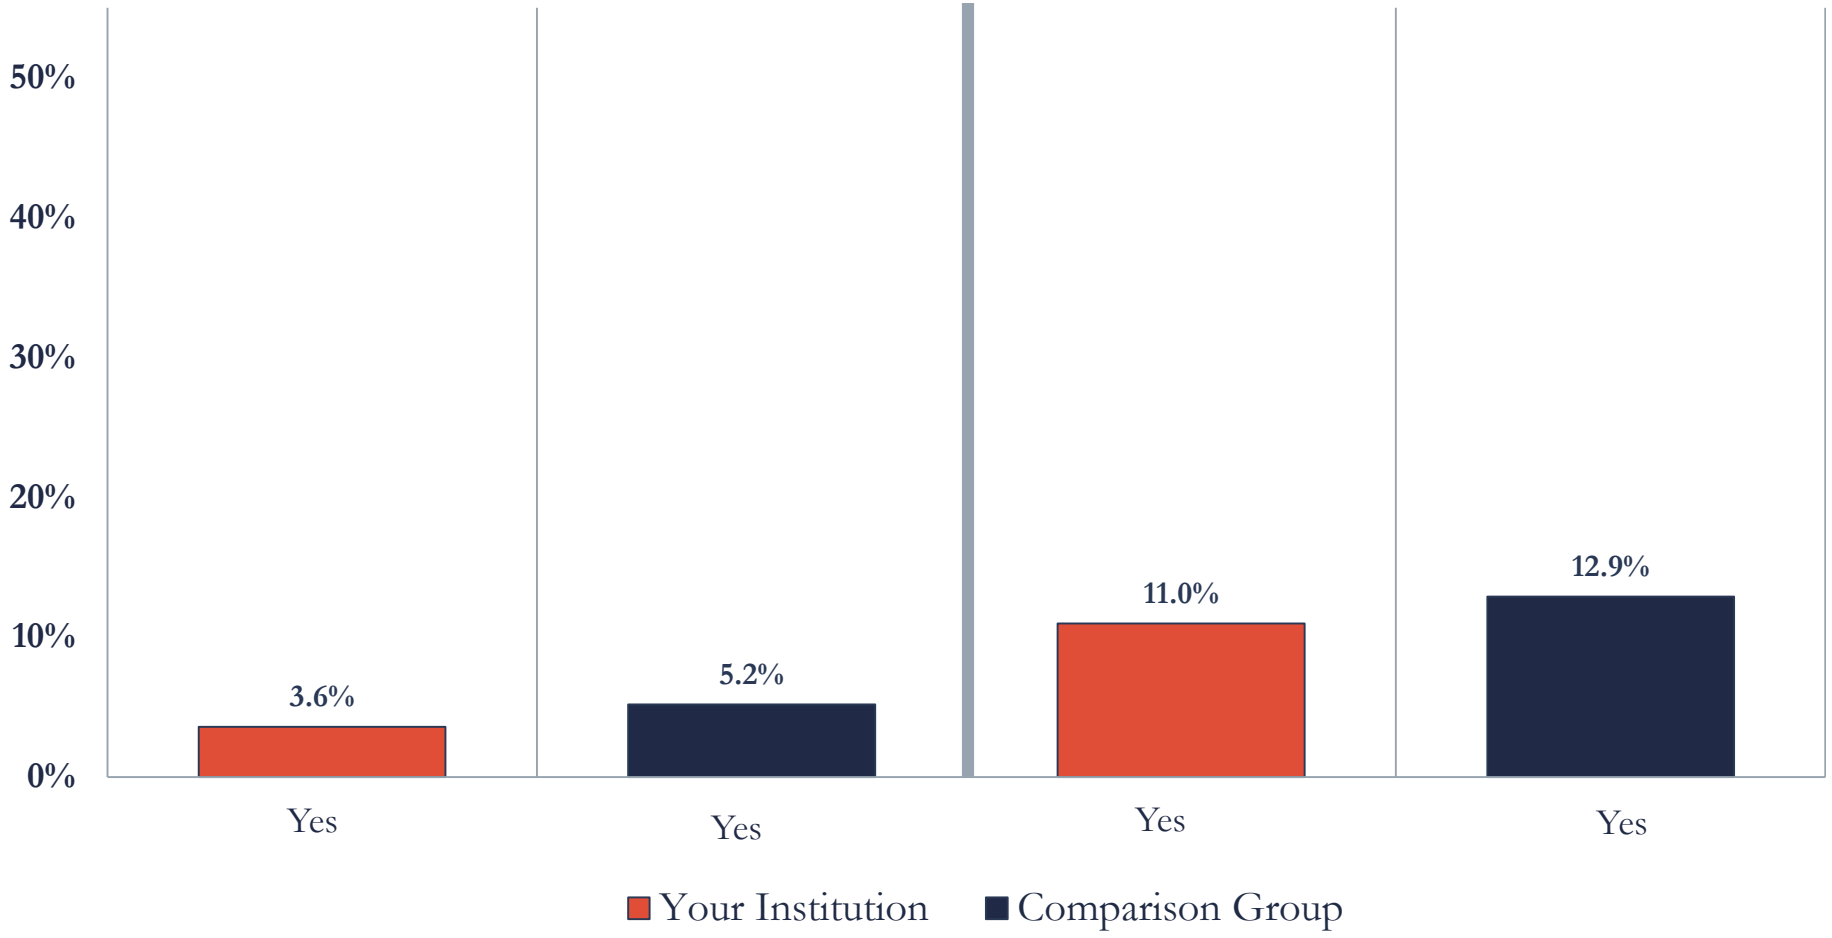


HERI

Previous College Coursework

Have taken courses for credit at *this* institution prior to this term

Have taken courses, whether for credit or not for credit, at *any other* institution since leaving high school



HERI

Expectations for College: Major and Career

Understanding students' intended majors and career aspirations helps them plot an intentional and meaningful course of study.

HERI

Intended Major

Please indicate your intended major.

	Your Inst	Comp Group
Agriculture	0.0%	0.0%
