

DOMINICAN UNIVERSITY

2024 - 2025 Annual Cost of Attendance (full-time fall and spring semesters)

Below is cost of attendance information for undergraduate and graduate students. The information is based on full time enrollment in the fall and spring semesters. Please contact the Stars Connect Office at 708-524-6809 or finaid@dom.edu if you have questions about your cost of attendance or have extenuating circumstances and would like to submit an appeal for consideration of an increased cost of attendance.

Examples of eligible expenses include but are not limited to, dependent care costs, rental or purchase of a computer, additional incurred program fees or expenses related to a student’s disability. Please complete the cost of attendance appeal form available here: <https://www.dom.edu/admission/undergraduate/admitted-students/fin-aid-forms>.

Please note that the cost of attendance refers to both the direct costs incurred as well as allocations for indirect expenses. Indirect costs are not included on your student account statement.

Students who have costs associated with acquiring a first professional credential or license can have those fees included in the cost of attendance. The costs must be incurred during a period of enrollment, not after. These costs will be automatically included when the student incurs them. If a student does not see the cost included, please contact us at finaid@dom.edu. Examples include fees charged to take a licensing exam and the costs of applying for and obtaining the license or certification. Note that the increased cost of attendance does not result in additional grant or scholarship eligibility but does allow for the potential for greater loan borrowing on federal student loans, a parent PLUS, graduate PLUS or private student loan. Please see the last page of this document for details on those licensure/credential costs for the four colleges at Dominican University.

Please note that fees associated with specific degree programs or courses may vary. You may view tuition, fee, room and board information here:
