- The Transitions Summer Program is a requirement and must be completed (to be admitted in the Fall semester).
- The summer bridge program begins Monday, August 11th and will run for two weeks, ending on Friday, August 22nd. If you are commuting in the Fall 2025, you must vacate your room on Friday, August 15th starting at 3:30 pm.

Meals throughout the Summer Program

- Funds will be added to your Dominican ID card at no cost to you, allowing you to order lunch for those two weeks. The university will also provide dinner to all students during the first week of the program. Students commuting the second week of the program (to and from home) will not need dinner, as your day will end around 3:30 pm. If you are staying in the dorms those two weeks, lunch and dinner will be provided.
- The first weekend that you are here (Saturday, August 16th, Saturday and Sunday, August 17th) the dining hall will be closed, so we will need to know if you are planning stay on-campus so that we can provide you food. [Please make sure to complete the Move-in Form.](#)
