

2026-2027 Income Certification Form Parent of a Dependent Student

Student Name: _____ Dominican ID #: _____

We are aware of circumstances where one or both of the parents of a dependent student does not have a Social Security Number, an Individual Taxpayer Identification Number, or an Employer Identification Number and therefore is unable to obtain a verification of non-filing letter from the IRS. Individuals in these cases and whose income is below the IRS filing threshold must complete the following information:

1. I certify that I _____ do not have a Social Security Number,
(Parent Name)
an Individual Taxpayer Identification Number, or an Employer Identification Number.

2. Please complete the table below, indicating what income you have received:

2024 Source of Income:	2024 Income Amount:

3. If income was earned from employment, a copy of your 2024 IRS W-2 Form for each source of employment income is required. Please attach a copy(s) to this form.

Please Note: Individuals who submit W-2s that total a gross income that equals or exceeds the IRS tax filing threshold must request a Social Security Number, an Individual Taxpayer Identification Number, or an Employer Identification Number and file an income tax return before the student is eligible to receive Title IV aid. Please refer to the chart below for 2024 filing requirements.
