MAZZUCHELLI SCHOLARS HONORS PROGRAM

Mazzuchelli Scholars Honors Program graduates are highly motivated, high-achieving students who challenged themselves in thought-provoking honors seminars and honors courses. Graduates who successfully met these challenges are awarded a degree of Bachelor of Arts with University Honors or Bachelor of Science with University Honors. There are two possible avenues to completion of the Honors program: coursework and the completion of a Distinction Project. Graduates who elect to complete both honors coursework and the distinction project are awarded the degree with University Honors and Distinction in their major.

Carlos Bautista	Rebekah Frese	Emily Lapinski	Katelyn Ratterman
Yazmin Cruz	Ahriel Fuller	Christian Lardi	Piotr Sasara
Maria Dellanina	Mayra Gaona	Mary Lee	Bailey Scianna
Rebecca Dent	Mayra Garibay	Lorena Loera	Rachael Stewart
Anna Derkacz	Nicole Heiberger	Mary Maloney	Monica Tamrazi
Alyssa Domico	Branden Holtzman	Nora Marren	Samantha Traczyk
Alvaro Donayre	Ivan Horajsky-Furr	Valerie Mathes	Tyler Trenchard
Ewelina Dwojak	Adam Janusz	Madeline McMullen	Kyle Vercnocke
Elizabeth Eaton	Catherine Koziol	Natalie Mirek	Madalynn Zanoni
Angelica Flores	Amanda Kubicki	Adilene Osnaya	

BACHELOR OF ARTS WITH DISTINCTION AND BACHELOR OF SCIENCE WITH DISTINCTION

Mazzuchelli Scholars and students in high standing in their major are given the opportunity to complete a distinction project. This research project is designed by such students in their junior and senior years as a distinctive and substantial scholarly or creative work in their major field. Graduates who have completed this challenge are awarded the degree of Bachelor of Arts with Distinction or Bachelor of Science with Distinction in their major. Graduates who elect to complete both honors coursework and the distinction project are awarded the degree with University Honors and Distinction in their major.

BACHELOR OF ARTS

Carlos Bautista
Distinction in Theology

Anna Derkacz
Distinction in Sociology

Elizabeth Eaton
Distinction in Apparel Design
