- TEACH Grant recipients must serve as a highly qualified, full time teacher in a high need field in a public or private elementary or secondary school that serves low income students.

- If the teaching service obligation is not met, all amounts of the TEACH Grant that were awarded to the student will be converted to a Federal Direct Unsubsidized Loan. This loan must be repaid to the U.S. Department of Education. Interest will be charged from the date the grant(s) was disbursed.
- Enrollment is reviewed at the start of each term. Students enrolled full time in a term may be eligible for up to \$2,000 for that term, students enrolled less than full time in a term will be eligible for a pro-rated amount.
