**I request that Dominican University process a Direct PLUS Loan for the 2018-2019 academic year.**

**Loan amount requested (whole dollar amount - do not indicate "maximum" or leave blank): \$ \_\_\_\_\_ \***

\* The loan amount requested will be applied to the entire academic year in which the student plans to enroll. Therefore, if the student plans to enroll for both the fall and spring semesters, the total loan amount will be disbursed equally between the two semesters. Students who are graduating in fall (or starting in spring) will have the loan funds disbursed during their one term of enrollment. The maximum loan amount is the student's annual cost of attendance budget MINUS other financial assistance. *In addition to interest, you pay a loan origination fee that is a percentage of the principal amount of each Direct PLUS Loan that you receive.* The U.S. Department of Education deducts this fee before you receive any loan money, so the loan amount you actually receive will be less than the amount you have to repay.

---

We, the **parent borrower and student**, certify we will use any federal funds we receive during the award year covered by this application solely for expenses related to attendance at Dominican University. We also certify that we are not in default on any federal student loans or have made satisfactory arrangements to repay them and will notify Dominican University if we default on a federal loan.

**Consent to Obtain Credit Report**

I, the **parent borrower**, consent to allow the U.S. Department of Education and its agents to obtain a report of my credit record and use the information from that report in determining whether to approve a Direct PLUS Loan for me. I understand that I will be notified in writing by Direct Loans of the results of the credit check with respect to my loan application.

In the event the PLUS Loan request is denied due to the results of the credit check, we would like to (*check one*):
