As the ONLY program of its kind in the U.S., the MBA/RD doubles your earning potential and your career opportunities.

Become a Registered Dietitian with the added business skills to excel in leadership roles in dietetics, food and nutrition, wellness and marketing. This in-demand career niche allows you to not only make a difference but also earn generously with average corporate salaries above six figures.

- No need to match through DICAS.
- Our cutting-edge curriculum prepares you to pass the Registration Examination for Dietitians.
- Our supervised practice includes 1,200 hours in community, inpatient (clinical) and food service management settings.
- Complete the program in as few as 21 months.
- Ask about our GMAT waiver.
- Part-time, online and hybrid options available.
- Our MBA is accredited by the Association to Advance Collegiate Schools of Business (AACSB), achieved by only 5% of business schools worldwide.
