

The *Summer Gifted & Talented Program* at Dominican University offers a limited amount of need-based financial aid for qualified academically motivated students with limited financial resources or opportunities for academic and socio-emotional enrichment in a gifted and talented learning community.

Financial Aid awards are announced at the end of May and are awarded as partial tuition waivers, based on family income and financial circumstances. Families earning less than \$50,000 as a total family income will be prioritized.

In order to be fully considered for financial aid assistance, a written Statement of Need must be submitted with a copy of your most recent Tax Return, along with this Financial Aid Form completed in full detail. Incomplete requests for financial aid without supporting documents will not be reviewed.

Payment Plan installation and Down Payment are determined on a case-by-case basis with written request.
