

## Disbursement for Books and Supplies

All enrolled Dominican University students are eligible for a \$500 line of credit at the on campus bookstore which can be used to purchase books and supplies. Students are eligible for this line of credit even if they do not have financial aid in excess of their tuition, fee, room and board charges. Any materials purchased via the line of credit will be added to the student's account. Any charges not fully covered by financial aid are the responsibility of the student.
