

## **FANJEAUX SUMMER STUDY**

May 28 – June 13, 2019  
Faculty and Staff Grant Application

Each year, Dominican University provides the opportunity for one faculty and one staff member to receive a grant to participate in the Dominican Colleges and Universities Summer Study trip to the lands of St. Dominic.

### **Eligibility**

In order to apply for the grant, individuals must be either:

- a staff member who has been actively employed at full-time or PT30 status for at least three years; administrators and cabinet members qualify in this category as well.
- a tenure-track faculty member who has been employed at full-time status for at least three years.

### **Applications Process**

Participation in this seminar has been transformative for past grant recipients. It allowed them to explore areas where St. Dominic ministered and founded the Order of Preachers. It also gave a deeper understanding of the Dominican charism and mission as it is lived out at Dominican University.

In 300-500 words, please write a letter of application that addresses the following questions:

- Why are you interested in participating in the Fanjeaux Summer Study?
- How do you feel attending this seminar will influence your work here at Dominican?
- How will your attendance enhance your understanding of the University mission?

Staff members applying for the grant must also submit a letter of support from their immediate supervisor indicating pre-approval for potential absence from work from May 28 – June 13, 2019.

Please submit your application materials by November 21, 2018, to:
