

Career Resources

COVID-19

Through the uncertainty surrounding the current situation involving COVID-19, we would like to emphasize that Career Development is here to help all Dominican University students. Though support has moved outside of campus grounds, we will continue to provide our students with relevant resources to ensure their success.

Career Development FAQ

- Can I still meet with someone regarding Career Development services?
Yes! You can still set up a meeting with a Peer LEADer, Keli, or Maria via Zoom.
- Where can I find guides on resumes, job search, interviews, etc.?
These information packets are available to students on the [Career Development website](#).
- Will I be able to find a job in this market?
There are several opportunities for employment still open and hiring! Below are some of the companies hiring for both in-person and remote employment.
